At All Drug Stores

HORSEMEN ORGANIZE

James M. Crockett, of Pocomoke City, was elected president, and D. J. Ward, of Salisbury, secretary and treasurer of the Delmarvia Fair Circuit at the annual meeting held last week. The association admitted Harrington, Del., as a new member. Three harness races will be on the program on each day of the fair, the purses being increased from $300 to $30. The new rules and regulations of the National Trotting Association, of which the Delmarvia circuit is a member, were the subject of much discussion. These met with general disapproval, and serious consideration was given the project of immediate withdrawal from the national organization, and affiliation with the International Trotting Association, now in process of organization. Dates for the 1920 meetings of the several associations in the Delmarvia circuit are as follows:

Harrington, Del., July 27-30.
Cambridge, Md., August 3-6.
Tasley, Va., August 10-13.
Pocomoke City, Md., August 17-20.
Salisbury, Md., August 24-27.
Wilmington, Del., September 6-10.

The Peerless Fertilizer Works will be rebuilt. As soon as weather permits, Duyer Brothers will begin the erection of a building on the site of the new addition, closest to the Quaker Neck road. The other building will not be erected until later. The Peerless Fertilizer Company furnishes employment to a good number in Chestertown.

PROMPT RELIEF for the acid-distressed stomach, try two or three

KI-MOIDS

after meals, dissolved on the tongue—keep your stomach sweet—try Ki-moids—the new aid to digestion.

BACK HURT ALL THE TIME

Mrs. Hill Says Lydia E. Pinkham's Vegetable Compound Removed The Cause.

Knoxville, Tenn.—"My back hurt me all the time, I was all run down, could not eat and my head bothered me, all caused by female trouble. I was three years with these troubles and doctors did me no good. Your medicine helped my sister so she advised me to take it. I took Lydia E. Pinkham's Vegetable Compound and the Liver Pills and used Lydia E. Pinkham's Sanative Wash and now I am well, can eat heartily and work. I give you my thanks for your great medicines. You may publish my letter and I will tell everyone what your medicines did for me."—Mrs. PEARL HILL, 418 Jacksboro St., Knoxville, Tennessee.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

MAN'S BEST AGE

A man is as old as his organs; he can be as vigorous and healthy at 70 as at 35 if he aids his organs in performing their functions. Keep your vital organs healthy with

GOLD MEDAL HAARLEM OIL CAPSULES

The world's standard remedy for kidney, liver, bladder and uric acid troubles since 1696; corrects disorders; stimulates vital organs. All druggists, three sizes. Look for the name Gold Medal on every box and accept no imitation

GOING AFTER DRAFT EVADERS

After condiderable delay the War Department is preparing for publication a list of military deserters, draft evaders and possibly delinquents, which will be posted in all sections of the country. This action will be followed by a nation-wide hunt for those on the list who are still at large and will affect 2,319 Marylanders who are classed as deserters under the selective draft act, 1,154 of whom are negroes.

All the records of Maryland draft boards were forwarded by Adjutant General Henry M. Warfield, of this State, to the Adjutant General's Office at Washington, but copies of the records were also sent to the State Adjutant General's Office at Annapolis, of which J. M. Griffith is in charge. General Warfield was in charge of the Maryland boards, and his office at Annapolis has made the following announcement of figures concerning Maryland deserters.

Class June, 1917—637 whites; 630 colored.

Class June, 1918—31 whites; 59 colored.

Class September, 1918—790 white; 547 cololed (aged 19 to 36).

Class September, 1918—7 white; 8 colored (aged 18 years).

Class September, 1918—Aged 37 to 45 not counted, armistice intervening.

NATURE'S WAY

Alcohol and dangerous sedatives are fast falling into disuse. When the body is debilitated the effectual means of restoring strength is

SCOTT'S EMULSION

which does what your regular food should do but all too often fails to do—*nourishes and strengthens the whole body.* It is the results that follow the use of *Scott's Emulsion* that have made its multitude of friends.

The Norwegian cod-liver oil used in Scott's Emulsion is super-refined in our *own* American Laboratories. Its purity and quality is unsurpassed.
Scott & Bowne, Bloomfield, N.J. 19-29

C. & P. TELEPHONE REPORT

That the Bell System has passed through the strenuous period of war conditions with its plant, management and finances intact and is in a healthy condition to undertake its post-war responsibilities with a minimum of delay, is clearly shown by the annual report of the American Telephone and Telegraph Company.

H. B. Thayer, President of the Company, gives an interesting history of the details and results of the year's operation not only of the American Telephone and Telegraph Company but of the whole Bell System.

For the whole Bell System with all duplications excluded the total income, including compensation, after the deduction of expenses amounted to $79,650,186, from which over $27,000,000 was paid in interest and $39,000,000 in dividends, leaving over $12,000,000 surplus. The surplus earnings in the last five months of the year since the end of Federal control have been $7,000,000.

The capital stock, bonds and notes payable of the Bell Telephone System outstanding in the hands of the public at the close of the year were $1,060,000,000, while the net assets devoted to earning return on these outstanding securities amounted to over $1,448,500,000. This is due to the fact that surplus and resources of over $388,500,000 had been invested in productive property.

For the American Telephone and Telegraph Company the net earnings of the year were over $60,000,000. In round figures, the interest charges were $15,000,000, the dividends $35,000,000 and the resulting balance $9,000,000, of which $5,000,000 was appropriated to Reserve for Contingencies and $4,000,000 added to surplus. The company and its predecessors have paid dividends to the public at the rate of at least $7.50 per share each year for the past 38 years, and during the past 13 years the rates has been uniformly $8.00 per share. The number of shareholders in the American Telephone and Telegraph Company was on December 31st 120,460, an increase of 8,000 during the year. To this number should be added some 9,000 employees of the Bell System who are paying for stock out of their wages. More than 19,000 employees have already paid in full for their stock and are stockholders of record. There are more women stockholders than men.

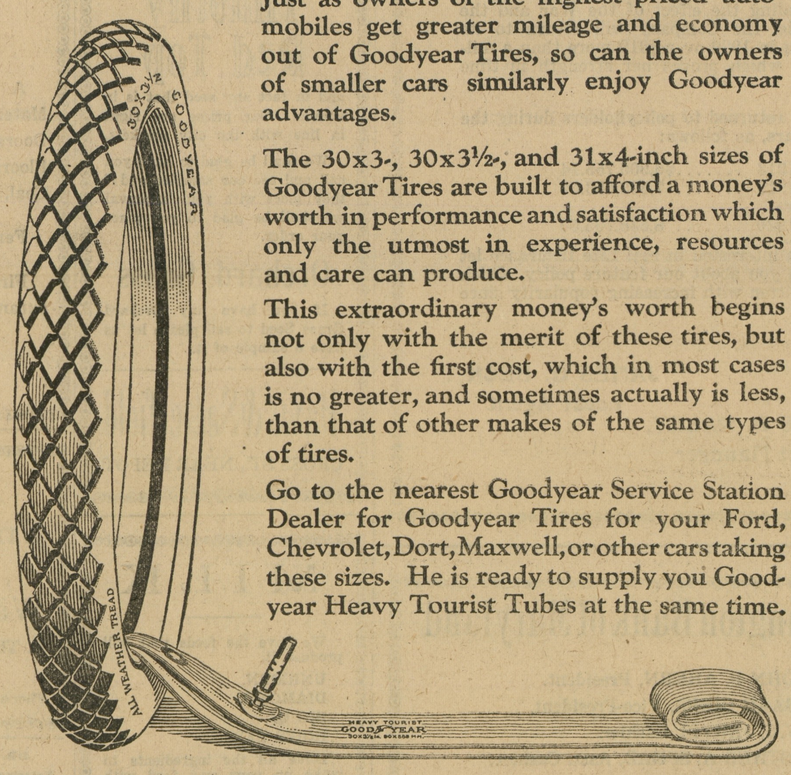
Get Goodyear Tire Economy for That Small Car



Just as owners of the highest-priced automobiles get greater mileage and economy out of Goodyear Tires, so can the owners of smaller cars similarly enjoy Goodyear advantages.

The 30x3-, 30x3½-, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread $20.00

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size *in water-proof bag* $3.90
