Order of Court

Maogaret E. Smiih, Executrix,
versus
Eliza Ann C. Smith

In the Circuit Court for Kent County
In Equity. No. 1793.

UPON the Petition, Account and Affidavit of Lewin W. Wickes, Trustee, filed in the above entitled cause, resigning the said trust and requesting to be relieved and discharged from the further execution thereof;

It is thereupon, ordered this 16th day of June 1919, by the Circuit Court for Kent county, in Equity, that the said Lewin W. Wickes, Trustee as aforsaid, give notice of the filing of said Petition and Account and of his application to be released and discharged from the further execution of said trust by the publication of a copy of this Order in some newspaper printed and published in Kent county, State of Maryland, once a week for three successive weeks before the fifteenth day of July Nineteen Hundred and Nineteen, and all persons are hereby notified to show cause, if any they have, on or before the first day of August in the year Nineteen Hundred and Nineteen, why the said application of the said trustee should not be granted and a decree passed by this Court releasing and discharging the said Lewin W. Wicks, as aforesaid- from the further executing of said trust.

And it is furteer Ordered that the papers and proceedings in this cause be, and hereby are, referred to the Auditor of this Court with directions to state an account between the said Lewin W. Wicks, Trustee, and the said Trust Estate.

A BRAVE SOLDIER

The following letter has been received by Mrs. A. L. Ivens, of Worton, concerning her son, Tom, who died in France:

Orquevaux, France, Apr. 20, 1919.

Dear Friend:

No doubt you will be surprised to hear from me, but will drop you a few lines to let you know I am in the land of the living, and getting along alright.

I saw in the Kent News where Tom Ivins died over here from pneumonia. I did not see him but once since I arrived in France, as he was in a different outfit but today I happened to meet a fellow from his company by name of John Deichman, who knew him well and gave me a little information. Tom left his company at Dombarton with the influenza, had a temperature of 101 when he reached the hospital and only lived a few days, as they were not notified of his death until the 10th of October. Tom was well liked by all the officers and men of his company being an ideal soldier, he hated to go back to the hospital, and the men were sorry to see him leave.

No later than March the 15th Capt. Williams, his commanding officer, made a speech to his men and spoke of Tom in the highest terms. Well we expect to sail for the good old U. S. A. sometime in June and will surely be glad, as I have seen enough of this country. Best wishes to all. Your friend.

STRICKEN WITH APOPLEXY

Sunday night about 11 o'clock, while driving an automobile between Middletown and Summit Hill, W. B. Wilson, a prominent citizen of Middletown and a retired farmer, was stricken with apoplexy and died instantly.

Mr. Wilson and party composed of his wife, his sister-in-law, Miss Anne Berry, and Dr. E. F. Hudgens, of Columbia, S. C., were returning to Middletown after a trip, when Mr. Wilson, who was at the wheel, was seen to lose control of the car and it ran into a hedge, the motor stopping. The car could not be gotten back onto the road immediately, and another car, from Middletown, was secured and Mr. Wilson taken home.

Mr. Wilson is survived by his wife and three children, Mary Vaughn Wilson, William S. Wilson, Jr., and John P. Wilson; three sisters, Mrs. John Roberts, of Smyrna, Miss Mollie Wilson, of Middletown, and Mrs. Edw. Hearn, of Washington; three brothers John T. Wilson, of Cecilton, and Geo. and Davis Wilson, of Middletown.

**Arthur L. Harris, of Betterton, has 5 acres of "Wheat" entered for the $1,000 cash prize and gold medal in the "Farm Journal" $10,500 crop contest. This contest, endorsed by agricultural authorities everywhere, offers a thousand dollar cash prize for the best five acres of corn, wheat, oats, alfalfa, potatoes and cotton. Along with the thousand dollar prize goes a gold medal. The second prize is five hundred dollars, and with it goes a silver medal. The third prize is two hundred and fifty dollars, and with it goes a bronze medal. Moreover, there are forty certificates of yield to be awarded in this county. Each certificate means that its possessor has grown more than a superior crop, and that the seed from it is worth a fancy price.

Concerning W. C. Boy

The Snow Hill Messenger recently contained the following article concerning Mr. Clyde E. Bounds, a graduate of Washington College this year:

"Mr. Clyde Everett Bounds was among the graduates at Washington College, Chestertown, this week. Mr. Bounds stood third in his class, only five-tenths of a point separating him and the second honor man. This is a most creditable showing, as Mr. Bounds completed the four years' course in two and a half years, six months of the last year being lost at college on account of his enlistment and service in the Naval Reserve Force.

"At the commencement exercises Wednesday morning the degree of Bachelor of Science, cum laude, was conferred on Mr. Bounds, and he also received honorable mention for meritorious scholarship.

"Attention was first called to the scholarly attainments of Mr. Bounds when he won the spelling match in 1914 at the first Field Day Meet held in Worcester county. The next year he graduated at the Snow Hill High School, winning second honors, and being the salutatorian of his class. After teaching a year he matriculated at Washington College, doing uniformly good work throughout his college career.

"Mr. Bounds returned home Thursday, accompanied by his sister, Miss Eunice Bounds, who went Monday to attend the Commencement. His parents and sister, Miss Nellie Bounds, had made arrangements to attend the commencement, but were disappointed at the last minute by an accident to the automobile in which they were to make the trip.

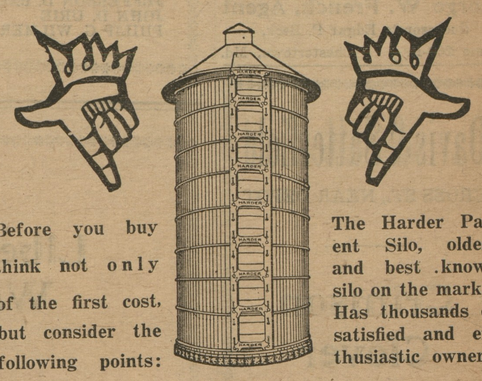
Harder Patent Silo



Before you buy think not only of the first cost, but consider the following points:

The Harder Patent Silo, oldest and best known silo on the market Has thousands of satisfied and enthusiastic owners.

1st. The material used, such as stave matching and jointing.
2nd. Kind of Tongue and Groove and how they fit.
3rd. Kind of Spline Dowell used.
4th. Kind of Hoops and size.
5th. Kind of Doorway, including doors and ladder way.
6th. Is there a liklihood of blowing over in wind storm?
7th. Is the Silo airtight, and will it stay airtight, with 90 ton pressure, and keep ensilage in perfect condition?

A HARDER SILO will add to your bank account. Let us prove that it will.

Before you buy see us and let us explain the many advantages of the HARDER SILO.

Our carload will be here this week. Stop in see them.
