Resolutions Of Regret

Whereas, our pastor, Rev. J. L. Ward, has signified his intention to ask for a change of relations at the approaching session of the Maryland Annual Conference of the Methodist Protestant Church, and

Whereas, the members of the Official Board of Christ Methodist Protestant Church, of which Bro. Ward has been the faithful and beloved pastor for the past four years, have learned with feelings of keen regret of this intention on the part of the pastor, therefore be it

Resolved, That this body takes this means to express its very high appreciation of the splendid work accomplished by Bro. Ward, who has been untiring in his efforts for the good of the entire community, and whose labors have been crowned with the fruits of a ministry devoted to the upbuilding of the kingdom of God and the salvation of the souls of the people. The relations of pastor and people have been most cordial, during the past four years, and it is with a sense of great pride that we are able to state that no pastor of our church has enjoyed greater respect from all elements of our community or has labored more disinterestedly for the success of every branch of the church work than has Bro. Ward. We look with pride upon the achievements of his ministry here. During the past four years large numbers have been added to the church membership, a sound financial system has been instituted, and no church has ever enjoyed better pastoral supervision than have we during Bro. Ward's ministry. And

Be It Further Resolved, That since Bro. Ward has signified his intention to ask for a change of relations for the coming year, the official board of the church accepts the request and prays that God may richly bless Bro. Ward in other fields of labor as He has during his stay among us, and that the very highest regard, affection and brotherly love shall be our benediction to him as long as his ministry shall endure.

Be It Further Resolved, That a copy of these resolutions be made a part of the minutes of the Board, a copy sent to Bro. Ward, and that copies be sent to the Methodist Protestant and to our local papers with the request that they be published in their next issue.

Respectfully signed,
CHAS. L. DODD,
JAS. W. CROUCH,
THOMAS D. BOWERS,
WM. J. VANNORT.

One of the most profitable marshes we have heard of in Kent county is the one in Morgnec belonging to Marion Malcomb. Over eighteen hundred dollars worth of muskrats were trapped off the marsh this year by Mr. Malcomb's workmen. Mr. Malcomb turned the marsh over to them last fall and told them they could have all they made off it. One colored man caught over $500 worth of muskrats.
