RALLY DAY IN KENT

Rally Day, the great public school day of the year, is Thursday, May 6. Elaborate preparations are being made to make this a banner occasion for public education.

In the morning at 10.30 o'clock there will be held an educational mass meeting in William Smith Hall, at Washington College. This is primarily for the benefit of school patrons. Important problems relating to the schools will be discussed, and as these are of more interest to grown-up than to children, it is thought best to confine the admission to adults. Were children admitted, the building would soon be filled up with those who can least understand the points at issue.

Dr. Clarence P. Gould, President of Washington College, and Dr. George H. Reaves, Assistant State Superintendent, will be the speakers. A band of music will be in attendance to enliven the occasion.

The parade will take place at 1.30 p. m., and the athletic contests at 2 o'clock.

Ice Cream and Lunch Centers

At a meeting of the Parents and Teachers Association plans were made to serve a light lunch to visitors on Rally Day. Four centers have been selected from which the people may be served. At the Elementary and High Schools will be served sandwiches, coffee and ice cream cones. On the athletic field at the college and in the park, ice cream cones will be sold. The sale will begin at 11.

Mrs. A. S. Turner will be in charge at the Elementary School with a force of helpers.

Mrs. Robert Huey, Mrs. A. Parks Rasin, Mrs. D. B. Ford with more helpers will have charge at the High School. Mrs. Leon Brown, Mrs. Rumsey Anthony, chairmen, at the park, and Mrs. Percy Hendrickson, Mrs. Harry Barnett, Mrs. Fred. G. Usilton, Mrs. Fannie Culp and others will help on the athletic field.

Any contributions that the patrons can make in hams, chicken, sugar or money will be very acceptable to the committee. The play ground of the Elementary School will be open to visitors and it is this ground which we wish to enclose. The proceeds of the sale will be used toward putting up a fence.

We wish to thank Dr. Gould, of Washington College, Mr. Creasy, of the High School, and the Town Commissioners for the privileges of their respective grounds.

DANCE AT ROCK HALL.

A Dance Saturday Night, May 1st will be given at Rock Hall Junior Hall under the management of W. T. Gale. Doors open at 8 p. m. Extra music.

STOLEN CAR RECOVERED

Splendid Work By Kent County's Sheriff And Deputy—Three Men In Jail Admit Stealing Mr. Willis' Car.

Elsewhere in News is noted the theft of Merrit Willis' Ford car from his garage on farm near Shallcross' Wharf. Sheriff Townsend and Deputy Mark Perkins arrived from Baltimore Thursday night bringing Willard Willis, Walter Kromer and Jos. Thomas as prisoners charged with the theft of the car. They confessed to the act.

Willard Willis, is a cousin of Merritt Willis, and works in Baltimore. The other men are about 24 years old and are employed at B. & O. grain elevators. They came to Kent by train Monday night, got off at Black's went to an old house at Shallcross' Wharf and remained until 1.30 a. m. when they stole the car and drove it to Baltimore. They had bargained to sell it for $400 to a blacksmith in Baltimore but owing to the buyer's suspicions no sale was made and it was put in a rented garage. They were found at 1726 S. Charles St.

CHESTERTOWN ELECTION

C. N. Satterfield Beats Wm. A. Burk 15 Votes—Additional Fire Equipment Bond Issue Wins By 75

A spirited town election took place Monday for a commissioner to succeed George R. Rouse, declined a reelection. The candidates were Wm. A. Burk, a member of the Rasin faction, and Charles N. Satterfield, a member of the Urie faction. The latter depended on his friends to put him over while Mr. Burk and his friends waged an active and persistent fight. Both are Republicans. There were 228 votes polled of which Mr. Satterfield got 118 and Mr. Burk 103. It was one of the closest contests waged here for some years.

The vote for additional fire equipment was as follows: For 144; and against 69. This guarantees to Chestertown an engine, truck, etc., the cost not to exceed $10,000.

HAND OF DEATH

Philip Myers, one of Kent's best citizens and a prominent farmer of the upper part of Morgnec, near Sprys Gate, died at his home on last Sunday morning at 3 o'clock of congestion of the lungs, aged about 65 years. Muskrat Hides Soar.—The dealers in hides have reaped a fine harvest. At the auction of fur held in New York Thursday of last week prices showed an advance of 100 per cent over last April. The offerings of these skins brought out the snappiest bidding of the sale to date, and a top price of $5.05 each was paid for the best brown pelts. The same buyers also took the next best lot of brown "rats" at $5 each. The finest black muskrats were taken at $4.55. Largely as a result of the good prices obtained for the general collection of muskrats, of which sales for the day were $1,150,000.

Another Good Play.—The Chestertown High School gave another interesting play in the Lyceum Wednesday evening. "Claim Allowed Continued" was the title of the play. It is full of plain, home-made Americanism, and shows that if those who manage the home will exercise their common sense and their reason, there need be but little fear of the future. The cast was as follows:

Dabney LaFohl, for his country, Noel Usilton; Mrs. LaFohl, his loyal mother, Louise Clift; Ethel Bradley, his loyal sister, Mary Jones; Scout, his little Buddie, Walter Usilton; Charles Bland, for himself, Marvel Seney; Mrs. Wardlaw, Lillian's managing aunt, Dorothy Woodall; Tilly, her maid, Pauline Hoyle; Lillian Carmen, Dabney's fiancee, Ermyn Jewell; Mr. Carmen, her father, Belt Townshend; Mr. Metz, an American-German, Burgess Schrieber; Mrs. Metz, his son's wife, Travis Bolin; Mary Metz, his granddaughter, Mildred Newton; Sherman Metz, his grandson, Maynard Brown; Mrs. Hohenzollern, a Red, Amy Wheat; Neb and Caroline, two black birds, Harry Russell and Evelyn Peacock.

A Cordial Reception.—Committees from the various church organizations arranged a splendid reception Monday evening to Rev. N. O. Gibson and wife in the lecture room of Christ M. P. Church. The place was transformed into a reception parlor with palms and cut flowers and notwithstanding the rain there were scores present.

R. Frank Elburn, president of the Christian Endeavor Society, presided, and asked Rev. Omar Jones, of the M. E. Church, to make the opening prayer. The welcome address was made by Charles L. Dodd, president of the Board of Stewards, followed by the new pastor in a most hearty and eloquent response. These were followed by sweet solos by Mr. Ballard with Miss Louise Russell accompanist, comic reading by Mrs. Ella Robinson, a beautiful prayer by little Miss Mary Phillips and a piano duet by Misses Margaret Russell and Anna Cook Coleman. Refreshments followed. The committee who arranged this cordial and successful affair were Misses Maud Duyer, Edna Kirby, Clara B. Usilton, Mrs. J. H. Sides, Mrs. E. A. Culver, Mrs. Earle Barnes, Mrs. Philip Sewell, Owen C. Smith, Fred. G. Usilton and Rollison Baxter.

Accidents.—A serious collision occured on the State road Saturday, near Harmony, in which W. Scott Knight's carriage was demolished and his leg broken near the thigh. Mr. Knight was turning to go into his farm gate when a heavy touring car owned by John Perry, of Centreville, crashed into him and caused the accident.

While returning from Wilmington last Friday evening, H. Hopkins, Harry Jewell, O. C. Newnam and A. C. Seney, of Price, narrowly escaped serious injury when their automobile skidded and turned turtle over an embankment about six miles north of Chestertown. The accident was caused by the storm and slippery roads. While all the occupants were thrown from the car, they escaped without injury. The machine was demolished. The car belonged to former County Commissioner Oliver C. Newnam.

In making the sharp turn near Kennedyville Thursday a car driven by Mr. Robinson was overturned and the occupants made a narrow escape. Mrs. Robinson, wife of the driver, received a bad cut over the eye while the second lady fell on her knees injuring them quite painfully. A second car following this car contained Mr. Cox, father of Mrs. Robinson, and another gentleman. These assisted the injured to Dr. Urie's office in Kennedyville where they were treated and afterwards left for Baltimore for which place they had started. All were from Princess Anne.

Two colored boys driving a horse and carrige belonging to William T. Nicholson was run into by an automobile at midnight Wednesday near Fairlee. The horse was killed and carriage demolished but Edw. Johnson and his companion escaped without a scratch. The driver of car is unknown at this writing.
