PAINS NEARLY DOUBLED ME UP

Nothing Helped Me Until I Took Lydia E. Pinkham's Vegetable Compound.

Wyandotte, Mich.—"For the last four years I have doctored off and on without help. I have had pains every month so bad that I would nearly double up. Sometimes I could not sweep a room without stopping to rest, and everything I ate upset my stomach. Three years ago I lost a child and suffered so badly that I was out of my head at times. My bowels did not move for days and I could not eat without suffering. The doctor could not help me and one day I told my husband that I could not stand the pain any longer and sent him to the drug-store to get me a bottle of Lydia E. Pinkham's Vegetable Compound and threw the doctor's medicine away. After taking three bottles of Vegetable Compound and using two bottles of Lydia E. Pinkham's Sanative Wash I could do my own housework. If it had not been for your medicine I don't know where I would be today and I am never without a bottle of it in the house. You may publish this if you like that it may help some other woman."—Mrs. Mary Stender, 120 Orange St., Wyandotte, Mich.

Mr. and Mrs. Geo. I. Harrison had as their guest their son; Roland, and Mr. and Mrs. Harry L. Harrison, of Philadelphia; Mr. and Mrs. Brown and son, of Baltimore; Mrs. Bertha Walls, of Baltimore.

Jesse Hurd, of Morgnec, is hauling some big timber through Chestertown. This timber is poplar and and gum, the former being shipped away to be used in the automobile and furniture businesses and the latter being used at the basket factory here. From one log that Mr. Hurd carried over 1500 feet of lumber was cut. This log weighed over 10,000 pounds. Mr. Mogul, who moved here several years ago, has charge of the cutting, which is being done in the woods of Marion Everett, in Queen Anne's. Mr. Mogul is an expert woodsman and has cut a great quantity of timber in the big forests of the north. Four big walnut tree stumps were shipped out of Easton on Saturday to Baltimore and were valued at over a thousand dollars. Two of the largest brought the seller over $600.

The Bramble Poultry Farm, near Chestertown, is rapidly developing into one of the largest and most successful poultry plants on the Eastern Shore. It is operated by Polk T. Bramble and during the last season over ten thousand day old chicks have been sold, and thousands of eggs for setting were disposed of. Incubators of the Bramble plant now hold about 2,200 eggs, and before another season the capacity will be increased to 3,000. Mr. Bramble makes a specialty of Barred Rock chicks and this year Mr. Bramble will keep about six hundred hens for breeders.

Perry Frisby, colored waiter at the Voshell House who recently was left property in Wilmington valued at between $10,000 and $12,000 by an uncle, is having trouble in securing the legacy. There are several other relatives who have decided to contest the will, and Frisby has been compelled to make several trips to Wilmington within the past two weeks in the interest of his bequest. He has employed a Wilmington lawyer to look after his interests.

The Postoffice Employes Retirement bill, which was signed by President Wilson on May 22, affects only one of the clerks in the Chestertown office, William H. Brown, who will have served 15 years December 1.

Eddys, for seventy-three years, have been a standard make. They are made of white pine that won't warp or split. They are fitted with heavy hardware and positive locks. The trap, of but two parts, is simple and efficient, easily removed for cleaning. The shelves are of slate stone. Linings are of heavily galvanized metal

In short they are a good refrigerator, as your neighbor will tell you.

We have some forty sizes to select from.

Ice Boxes are priced from **$12.75** to **$56.00.**

Refrigerators from **$28.00** to **$134.00.**

And there is a twenty per cent discount from these prices.

There is also a number of the "nursery" refrigerators included. These are all metal, in oak or white enamel finish, two compartments, fitted with faucet, just the thing for baby's milk, and especially suited for the small apartment. Priced from $8.50 to $12.50, less 20 per cent.

Add a room to your home

with a Pullman Bed Davenport or an Englander Extension Couch.

That room can be a well-furnished sitting-room all day long and can be instantly transformed into a comfortable bedroom at night.

Pullman Davenports are of the somersault type—the mechanism is simple and will not get out of order. They may be had in the davenport or davenette size, but either size conceals a full size bed. They are covered in imitation leather. In golden oak, fumed oak or imitation mahogany they are **$75.00** to **$175.00**, less 20 per cent.

Englander Extension Couches are all metal with heavy springs and are grey enameled to prevent rusting. Closed they occupy the space of an ordinary couch and they can be quickly opened into a full sized bed. Fitted with heavy felt mattress, denim covered. These couches are much in demand for the sleeping porch. Priced from **$29.00** to **$41.00** complete, less 20 per cent. And an attractive metal day bed three feet wide can be purchased complete with cretonne covered mattress and pillow for **$35.00** less 20 per cent, or **$28.00** complete.
