FAIRFIELD'S MILK PRODUCER

THE dangerous "Foot and Mouth Disease" among Cattle is now under control. The danger of infection is by no means over. Fairfield's Blood Tonic and Milk Producer for Cattle only, protects Cattle from contracting disease of any kind. Germs multiply only in impure blood. Keep the blood pure and your cattle will be immune. Fairfield's Blood Tonic for Cattle only, purifies the blood and increases the quality and quantity of the milk.

The Fairfield Blood Tonics are separate preparations, each compounded to meet the peculiar requirements of each kind of animal.

The Roll Of Honor

IN BANKING CIRCLES when a bank has net profits amounting to more than its capital stock, it is entitled to a place on the Roll of Honor, and it is with pride that we state we are on this Roll.

In November, 1904, the Bank opened for business with a capital of $25,000, and to-day, which is about 4½ years, we show a surplus and undivided profit account of **$36,955.20**, a remarkable record.

The above figures prove conclusively what prudence and good judgment in making loans has done, and at the same time demonstrates the confidence the public have in this Institution in making us their depository, and thereby affording us the means to make this splendid showing.

We ask your account—large or small—all receive the same consideration.

BOLGIANO'S RECLEANED
COW PEAS

WILL MAKE YOU RICH.

Sow them for hay crops—for forage crops after grain crops—on vacant land. Put Cow Peas in every available piece of land you have. They will wonderfully increase the value and productiveness of your entire farm. We strongly recommend the sowing of Mixed Cow Peas. They are composed of Blacks, Whip-poor-wills, Clays and Ect. The upright growing varieties will hold up the vining varieties and will produce much better crops of vines and larger amount of forage.

J. Bolgiano & Son, Baltimore, Md.

The Agricultural Department at Washington referred me to you for Alfalfa, Cow Peas and Irish Cobbler Potatoes.
E. L. DUYCHINCK, Cecil county, Md.
