1866 CURTIS WOODWORK
"The Permanent Furniture for Your Home"

The quality of this kitchen dresser is typical of all Curtis Woodwork. Home builders should see the whole line. Come in.

does this handsome, dust-proof kitchen dresser, for the busy housekeeper. Nearly everything for cooking and for the table is put in one place that is easy to reach. By concentrating the storing place of ingredients, dishes and utensils, the thrifty housewife saves many a trip to and fro that would otherwise be necessary.

This dresser can be as easily built into a new house as set in an old kitchen, and it will pay for itself many times over in labor saved, in efficiency, and in comfort. The dresser has a solid back and solid panels above and below the well fitting drawers which render it vermin-proof. There are two bread boards and the shelves are adjustable. In the lower part, there is a flour bin on the right that is absolutely dust-proof. On the left are two shelves. The height of the dresser is 7 feet, width 3 feet, and depth 1½ feet.

Make your kitchen up-to-date, comfortable and convenient, a pleasant place in which to work. This dresser will help you and it costs only $49.85.
