9A. And be it enacted, That the Mayor and Common Council of Sykesville be and they are hereby authorized and empowered to issue bonds in the name of said municipal corporation to an amount not exceeding five thousand dollars ($5,000) in sums of five hundred dollars ($500) each, which bonds are to be payable fifteen years from their date, redeemable however, at the option of said Mayor and Common Council after five (5) years from the date of their issue; said bonds shall bear interest at the rate of five per cent. per annum, payable semi-annually, and shall be exempt from county and municipal taxation; said bonds and the coupons attached thereto for the interest shall be signed by the Mayor and countersigned by the clerk to the Common Council, and shall not be sold for less than their par value, and the proceeds derived from the sale of said bonds shall be employed in grading, paving or macadamizing the streets of said town, or any other permanent improvement.

20A. And be it enacted that the treasurer shall also act as assessor and shall make and return to the Mayor and common councilmen before the 25th of June, in each and every year a full and complete list of all lawful property, stock and investments in said town liable to taxation and not found on the tax books of Carroll and Howard county.

The Mayor and common council shall have the power to make any alterations in the assessment made by the treasurer, which they may think proper and right. The treasurer shall receive a fee of twenty-five cents (25c.) for each assessment made by him of new or missed property.

23A. Section 1. Be it enacted by the General Assembly of Maryland, That the Burgess and Commissioners of New Windsor, in Carroll county, in the State of Maryland, be and they are hereby authorized and empowered to construct water-works for the purpose of supplying the inhabitants of said town and the vicinity thereof with water for the extinguishment of fires and for domestic and manufacturing purposes. And they are hereby authorized to rent and sell water to the inhabitants of said town and the vicinity thereof at such price and on such terms and conditions as the said Burgess and Commissioners of New Windsor may determine.

Section 2. Be it enacted, That for the purpose of constructing such water-works and supplying water as set forth in the first section of this bill, the said Burgess and Commissioners of New Windsor are hereby authorized and empowered to borrow on the credit of said town an amount not exceeding the sum of twenty-five thousand dollars ($25,000) and to issue the bonds of said town in payment of the sum so borrowed.
