Holloway's Ointment and Pills certain cure for Rheumatism—Henry Foot, aged 52, of Natches, Mississippi, was a severe sufferer from this complaint, and tried a number of reputed remedies, hoping they would benefit him, but he became so bad at last, as to be entirely confined to his bed, and he was unable to move either hand or foot. While he was in this horrible condition, a friend brought him a quantity of Holloway's Ointment and Pills, which he immediately commenced to use, he soon found himself gradually improved by them; and by persevering with them for eleven weeks, he was entirely cured, and has since enjoyed the best of health.

☞ Answer to last week's Enigma—"He was a burning and a shining light," St. John, 5th chap. 35th verse.

MARRIED,

On Thursday last by Rev. J. L. Houston, Mr. WM. PARSONS, of Somerset county, to Miss JANE HURLEY, of this county.

On Taylor's Island on Tuesday evening last, by the Rev. J. W. Nott, Mr. THOMAS H. KEENE to Miss ELIZA E. TRAVERSE, both of this county.

DIED.

In Cambridge on Saturday morning last, after a few hours illness, SARAH, consort of Mr. George Parrott, aged 51 years.

In Baltimore on the 10th of April last Mrs. ELIZABETH WELLSLAGER, aged 79 years. (Mother of Mrs. Dr. Harrison of this county.)

The life of this venerable lady was marked by beautiful exemplifications of true christian virtue. In society she was kind and gracious to all, and ever manifested an unbounded charity. In religion she was truly pious, and showed the deepest concern for the harmony and prosperity of the church of her choice. It is certainly great cause of consolation to her bereaved friends to look back upon her long and eventful career, and gather the trophies of her victories over sin, and cherish the fond thought that these now glitter in tiara of glory which crowns her angelic brow. *Blessed are the dead which die in the Lord.* Let the living gain wisdom from the experience of the dead.

A MARVELLOUS REMEDY,

For A Marvellous Age!!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the lungs, Asthmas, Coughs and colds, are by its means effectually cured. Every house-wife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more rapidly penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, SALT RHEUM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula, or Erysipelas, can long withstand its influence. The inventor has traveled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS and ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has, by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed direction around each pot.

Both the Ointment and Pills should be used in the following cases.

Buinos	Sore Legs
Burns	Sore breasts
Chapped Hands	Sore Heads
Chilblains	Sore Throats
Fistulas	Sores of all kinds
Gout	Sprains
Lumbago	Scalds
Mercurial Eruptions	Swelled Glands
