THE CITIZENS BANK

Chestertown, Md.

EVERYBODY TREATED ALIKE

This Bank Pays 4 Per Cent. Interest On All Savings Deposits

If you deposit it on the 12th day of the month you get 18 days interest if you draw it out on the 30th day of the same month. If you deposit your Savings Account on the 18th day of the month it draws interest from the 18th of the same month and does not lie idle for 12 days and then for another calendar month before interest begins. Nor does it have to remain four calendar months in bank before interest is allowed.

Your interest is accumulating all the time, and is compounded semi-annually, while your money lies in the bank. On the first days of June and December, we pay you interest and add it to your account or you draw it in cash. You thus get compounded interest semi-annually on your Savings Deposits.

WE ENCOURAGE SAVING SMALL AMOUNTS. If you deposit $1 it draws interest. It is not too difficult for us to calculate interest on small sums. WHEN INTEREST AMOUNTS TO ONE CENT YOU GET IT. Does any other bank offer you these inducements?

WEDDING NOTES

The home of Mrs. Elizabeth Cleaver Smyth, on High street, Chestertown, was the scene of a most beautiful wedding at high noon Wednesday. Mr. and Mrs. Abe Sachs, who occupy most of the house, threw the home open to the success of the occasion. A lovely bridal arch spanned the parlor in front of which Mrs. Smyth and Thomas H. Whaley, a business man of Church Hill, stood and were married by Rev. N. O. Gibson, while Miss Clara Usilton presided at the piano. The bride was fetchingly attired in brown crepe de chine, and carried a bouquet of rosebuds and ferns.

Mrs. James A. Brice, of Betterton, daughter of the bride and Mrs. Wm. M. Hurlock, of Kennedyville, were the attendants. The former was attired in midnight blue poiret twill trimmed with steel cut beads and carried yellow chrysanthemums and ferns. The latter was dressed in midnight tricotine and carried white chrysanthemums and ferns. Cute Little Miss Isabelle Brice, granddaughter of the bride was ring bearer and wore a beautiful dress of white organdie.

Immediately following the ceremony a buffet luncheon was served in fine style, after which the happy couple left by the afternoon train for a short wedding trip with relatives in Wilmington and Philadelphia. The bride wore a traveling tailored suit of midnight blue twill with hat to match. They will return home on Friday and reside in Church Hill.

The gift from the groom was a beautiful pearl necklace and brooch, while the other gifts were beautiful and useful.

OUTBUILDINGS BURNED

A fire broke out in the hay loft on the Miller Strong farm in Piney Neck Thursday afternoon and destroyed the big barn and stables, two horses, 3 mules, 200 bushels of corn, lot of hay, harness, poultry, etc. But for help of neighbors and friends the house would have been burned. GRANGE NOTES

One of the most enjoyable evenings spent by the Patrons of Worton Grange was Monday night, November 27, when "Home Coming" night was celebrated. No pains had been spared to make this a great occasion and all rallied to the front, making this truly a night to be remembered. The decorating committee had busied themselves, and the result was quite pleasing to the artistic eye. Ears of corn, fruit and flowers in profusion were used. The program in charge of our Worthy Lecturer was great. It consisted of readings, resitations, music, songs, etc. The duet by Bro. Rash and Sister Sallie Carter was received with such applause that they appeared again and sang "Yankee Doodle" backwards. At the conclusion of this very interesting program the ladies served all with sugar cakes, crullers, coffee and cocoa and the social hour soon passed. The next meeting of this Grange will be held December 11th. Why not make every meeting night "Home Coming" night, at least until Worton Grange is known far and wide.
