NEW GOODS.

THE subscriber has just returned from Philadelphia and Baltimore with a fresh supply of NEW GOODS, adapted to the present and approaching season, which he will sell at a small advance for cash, or such articles in exchange as may suit—and invites his friends to call and examine for themselves.

He returns his grateful acknowledgements to his friends and customers generally, for past favours, and especially to that portion of them who have been good enough to furnish him with *the one thing needful*—to them accommodation will be extended cheerfully—But to that portion of his customers, who have neglected *the needful supply*, no further accommodation can or will be extended—He is compelled to this determination from a conviction, that in most cases, a want of means has not been the reason for non-payment—and that calculations are made on his disposition to indulge. However grateful he may be for past favors, this cannot release him from the obligation he owes to himself and family.

AN ACT.

To amend the Constitution and form of government, as it relates to the division of Somerset county into election districts.

Whereas it has been represented to this general assembly, that a numerous class of voters on the North side of Wicomico creek, and also in the neighborhoods of Dublin and Cokesbury, on the eastern borders of the middle district of Somerset county, by reason of their remote location from the place of holding elections, are virtually deprived of the privilege of voting, which according to the spirit of the constitution, is designed to be extended to every free white male citizen of this state, and is intended to be secured by the bill of rights; for remedy whereof,

SEC. 1. Be it enacted by the General Assembly of Maryland, That the election district in Somerset county, lately called and known as number two, or the middle district, shall be further subdivided, and that two additional election districts shall be established therein; one of which shall be made convenient to the voters on the north side of Wicomico creek, and the other shall be at or near Dublin or Cokesbury, on the eastern borders of the said district.

2. And be it enacted, That in case this act shall be confirmed as required by the constitution, and form of government, the levy court of Somerset county shall be, and they are hereby required to appoint three commissioners, who, or a majority of them, shall proceed to subdivide the said district, and to select and appoint suitable places for holding elections on the north side of Wicomico creek, and in the neighborhoods of Dublin or Cokesbury as aforesaid, having due regard to population, extent of territory, and the convenience of voters.

3. And be it enacted, That the commissioners who shall be appointed by the levy court in virtue of this act, shall meet at the town of Princess Anne, on the 1st Monday of May next, succeeding the confirmation of this act, as required by the constitution and form of government or within ten days thereafter, for the purpose of carrying into effect the provisions of this act; and the said commissioners may adjourn from time to time, and from place to place, until they shall have performed and completed the several duties required of them by this act; and the said commissioners shall be, and they are hereby required on or before the first day of July next, after their meeting as aforesaid, to make out and deliver to the clerk of the county aforesaid, a plain and accurate description in writing, of the limits, boundaries and designation of each district so created and laid off, certified under their hands and seals, & the said clerk shall make a fair record thereof amongst the records of the county aforesaid.

4. And be it enacted, That the said commissioners be, and they hereby are authorised and required to adjust and limit the quantum of compensation, to be allowed to the proprietor or proprietors of the place of holding elections in each of the said election districts, if any compensation shall be required by the said proprietor or proprietors, and the same to certify as aforesaid.

5. And be it enacted, That for the performance of the duties required of the said commissioners by this act, and for the places of holding elections, if any compensation shall be claimed, the levy court shall make allowance and the same shall levy upon the county, to be collected and paid as other county charges are collected and paid; *Provided*, that the said commissioners shall not receive a sum exceeding two dollars each per diem, for each and every day they may severally be engaged in the proper duties of this act.

6. And be it enacted, That after the confirmation of this act, the levy court of Somerset county, shall according to the provisions of the act of eighteen hundred and five, chapter ninety seven, appoint three persons in each of the said districts, residents therein, who or such of them as shall attend, shall be the judge or judges of elections for the district for which he or they shall have been appointed as aforesaid, and the judges so appointed, shall have, hold and exercise the same powers & authorities, and be subject to the same penalties, and be entitled to the same pay as the judges of elections in Somerset county, now exercise and are entitled and subject to; *Provided*, That the compensation to be allowed for the services of the said judges and of the clerks by them to be appointed, shall not exceed two dollars per diem, which compensa-
