## Tolchester Has A Big Opening Day Saturday

The celebrated resort, Tolchester, opened the season Saturday in its usually successful way. There was a new interest, however, caused by the inauguration of the new ferry Express. There were 60 cars on this first trip and 1,000 passengers. The road to the Beach is being built and much inconvenience is caused but these will be remied shortly.

The Express meets with the approval of all who have traveled on her and good time is made. Some changes in the mode of ticket-selling at Tolchester will have to be made in order to satisfy the public, and we are confident this will be done.

Superintendent C. Frank Wheatley has everything at the resort in fine shape including the flower beds, etc. The supper at the Tolchester Hotel Friday evening was enjoyed by many. James W. Chapman, Jr., Esq., attorney for the company, spoke of the new outlook of the resort, its ferry, etc., and showed how the public from lower Shore and Delaware could reach Baltimore in quicker time than by any other way. President Hudson also spoke of the advantages the Ferry gave.

The State Roads Commission have decided to continue the State road for about 100 yards further than was at first contemplated, thus bringing this great improvement to high water mark.

Already there are plans being made for sale of lots, building of summer homes, etc.

## IMPRESSIVE CEREMONY AT MILLINGTON

Notwithstanding the very hot day last Tuesday afternoon the corner stone of the new Millington Community House was laid according to program. The exercises were under the direction of Chester Lodge of Masons, A. E. Culver, worshipful master. Assistant Grand Lecturer Harry B. Wright, of Preston, acted as Worshipful Master in the corner stone laying assisted by officers of Chester Lodge of Masons.

The ceremony was very impressive as the stone was laid in place and the coin, wine and oil spread upon it with due Masonic ceremony. The opening prayer was delivered by Rev. Dr. J. W. Trout, of Kennedyville. The song "Maryland, My Maryland" was sung by the children of Millington school also an original song on Millington. Both songs were well rendered under the leadership of their expert teacher, Miss Jesse Wilkins.

C. M. Melvin, Jr., of Millington, read the long list of contributors to the building and placed same in the box in the corner stone.

The address of the day was delivered by Rev. N. O. Gibson, of Chestertown, who made a most excellent talk on the subject of "Progress."

The exercises closed with a few remarks by Rev. Mr. Saunders, of Massey, who also delivered the benediction.

The new building is on a lot in the center of the town and will be an ornament and a monument to the progressiveness of the town. It will cost about $6,000 when completed. The officers of the Fire Company who are managing the building of the house are President John A. Tobin; vice-president and treasurer, J. B. Anderson; secretary, Lucien E. Massey; directors, Frank C.
