PARDEE CASE SETTLED

The case of William W. Pardee against the County Commissioners of Kent County was settled last week for $500. This case grew out of an action brought before a jury in Cecil County on March 14th, 1925, in which a verdict of $2,000 was given, Thereafter on September 17th, 1925, the County's motion for a new trial was overruled. The County Commissioners appealed and the case was argued in Annauopis at the April Term of Court. The decision of the Elkton Court was upheld. Mrs. Pardee was injured on the 19th day of August, 1923, when the steering gear of the automobile in which she was riding was broken it was claimed by reason of the automobile pulnging into a hole on the public road. The County Commissioners were represented by Herbert E. Perkins, Esq. The Pardees were represented by Messrs John Wethered Barroll and Morris Keene Barroll.

County Agent Horace B. Derrick is making preparations to resume the tuberculin testing of all dairy cattle in the county, October 1, the work having been suspended several months ago because of a lack of sufficient funds. It is said that the state will provide funds with which to test at least 5,000 cattle.

The local athletic authorities are also arranging to orgainze a strong basketball team for the coming season, and David B. Ford, Jr., has been elected captain of a squad which began preliminary practice Tuesday afternoon. Allan Stradley is secretary and treasurer. It is believed that a fine team will be organized from the wealth of material at the school from such players as Fred G. Usilton, Jr., Harry W. Fallowfield Jr., Raymond Moffett, Harry Lewis, D. B. Ford and a number of boys who have come from the rural schools this year.

A GREAT WEEK FOR METHODISTS IN TOWN

Fine audiences attended the reopening services of the Methodist Episcopal Church Sunday, when Rev. Dr. J. H. Willey, of Montclair, N. J., a former pastor, delivered the morning and evening sermons. Special music was furnished by Mr. Barnett and Norman Graves, of Wilmington, and the Sudlersville male quartette.

Monday evening the sermon was delivered by Rev. H. R. McDade, of Wilmington, and the choir of Immanuel Protestant Episcopal Church here rendered special music.

Tuesday evening the sermon was delivered by Rev. Thomas J. Sard, of Asbury Church, Crisfield. His text was "Jesus, the same yesterday, today and forever."

Wednesday evening was known as Sunday school and young people's night, and the speaker was Rev. Dr. J. W. Colona, superintendent of the Wilmington District.

Thursday evening was called Methodist Protestant night and special music was rendered by Mrs. James H. Sides, Mrs. Laurence G. Brown and Mrs. Fred. G. Livingood. The preacher was the Rev. Alfred Smith, D. D., of Camden, Del., former presiding elder of the Easton district.

On Friday night, Old Friends Day was celebrated and the Rev. Omar E. Jones, district superintendent of the Middletown (Del.) district, was the preacher.

The corner stone of the new edifice was laid Friday night by the Masonic Lodge of Chestertown.

On Saturday night all services will be held in the Sunday school room. There will be special music by the Washington College orchestra, led by Dr. Frederick G. Livingood, and an address by the Rev. Dr. W. W. W. Wilson, of Flushing, N. Y., on the subject, "The Semi-Centennial Reminiscences and Experiences of a Ministerial Life." At the same time, the basement of the church will be dedicated by Bishop W. F. McDowell, D. D., L. L. D., of Washington, D. C.

Sunday will be the great day of the week's celebration, when Bishop William F. McDowell, of Wilmington, will rededicate the handsome edifice and Rev. Dr. W. W. W. Wilson, of Brooklyn, N. Y., will preach the evening sermon. At the services on Sunday the choir of the church will make its first appearance in vesments, which will be worn at the regular Sunday services thereafter. Rev. Dr. Wilbur F. Corkran, the pastor of the church, announced at the Sunday services that the entire cost of remodelling the building was $65,000, about $35,000 of which has been subscribed.

NEW LYCEUM THEATRE

A new Lyceum Theatre will be erected in the near future on the sight of the store of Hadaway Bros and the vacant lot between that store and Hotel Imperial. L. Bates Russell, owner of this lot, as well as the Lyceum Theatre, and so forth, setting forth the details for the construction of this building. This new building will have a ceiling forty feet in height and will be thoroughly equipped for the showing of the pictures and other entertainments which are now exhibited on the second floor of the present Lyceum Theatre. In this theatre all entertainments, pictures, etc., can be shown to the public without ascending a flight of steps, which seems to be the demand at this time, although the present Lyceum Theatre is one of the best on the Peninsula. However, this new theatre building will have many improvements over the old one, such as ventilation, heat, seating capacity, and many other things which will add to the comfort of the public. This new building will add also to the attractiveness of this section of the town. W. S. & A. M. Culp are making the plans.

LOUIS ANTHONY INJURED

Louis Anthony, six, son of Mr. and Mrs. Rumsey Anthony, near Chester bridge, narrowly escaped death on Saturday afternoon when a blank cartridge exploded as he attempted to place it in a revolver. His face was badly burned and torn and powder entered his right eye causing temporary blindness. He was immediately brought to the office of Dr. H. B. Simmons here and rushed from there to the Hanhnneman Hospital in Philadelphia.

Louis, with an older brother, James, had been playing with the revolver near their home in Queen Anne's County. The revolver was an old one which they had found minus a spring. James had made a spring for the firearm and the boys were trying it out. When the accident occurred Louis was attempting to put a blank cartridge into the chamber.

At the hospital the physicians think that it will be possible to save the sight of the eye but that for some time it will be weak.
