SCHOOL TEACHER MARRIES PUPIL

Chestertown Records Show Ceremony Was Performed Last Monday—Secrecy Sought.

The final chapter in the story of a romance which had for its setting the public schools of Milford, Del., was written last week when Miss Betty Lank, one of the teachers, and James O. Dickerson, a pupil, were married.

Publication of the issuance of a marriage license brought denials from both parties concerned. The Milford newspaper had the Kent News editors examine the marriage license records at Chestertown and the fact verified that a license was issued to the pair.

The couple were married by the Rev. Wilbur F. Corkran, D. D., pastor of the M. E. Church, of Chestertown, Monday week. They requested that it be kept secret, if possible.

Mrs. Dickerson is one of the teachers in the Milford schools and is about 20 years old, Dickerson is said to be 17 and attends the Milford schools. He is the son of Mr. and Mrs. A. D. Dickerson, of Milford. The bride's parents reside in Milford, Del.

KENT SHOULD HAVE AN AVIATION FIELD

The key to transportation in the near future is aviation, and while the Shore is discussing and finding fault with railways, boats, etc., the thing to do is to look ahead and prepare for airplane service.

There are three young men on the Shore who have been operating airplanes for some time. They are ready to take up the air transportation to Baltimore, Philadelphia and New York, if airports, etc., are provided.

SHORE FERRY LINE STEAMER BURNS

Boat Destroyed By Fire While In Its Berth Near Bay Shore Park—Company's Pier Saved—Vessel Was To Have Been Sold At Auction By Receiver Next Week.

The steamer Eastern Shore, the property of the Baltimore, Eastern Shore Ferry Line, Inc., which went into a receivership some time ago, was destroyed by fire Wednesday night as it lay in its birth at the company's pier, near Bay Shore Park. Its companion vessel, the Baltimore, was burned two years ago yesterday.

The steamer with other property of the company, was to have been sold at public auction at a receiver's sale next Thursday. The fire was discovered about 6.30 o'clock by Patrolman Joseph Lawson, of the Essex Police Department, who saw the smoke from a point about a mile away.

Patrolman Lawson turned in an alarm and the Dundalk Fire Department was summoned. Their efforts to save the pier, which also was to be sold along with the other property of the company, were successful. The Eastern Shore burned to the water's edge and sank a few hours after the fire had been discovered.

The Eastern Shore was a steam-paddle double-end ferry of iron construction. She was 171 feet long, had a draft thirteen feet and was of 831.79 gross tons.

John Hutchins, a watchman employed at the pier, was unable to explain the cause of the fire. He said the Eastern Shore had been brought to Bay Shore from Rock Hall about two weeks ago. He was last aboard her about 10 a. m., he asserted.

The Baltimore, companion vessel, was destroyed by fire January 6th, 1926. The flames were discovered while the Baltimore was tied up at Gratitude, on the Chesapeake, about two miles from Rock Hall.

At that time the Eastern Shore had a narrow escape from a similar fate, as she was tied up at the same wharf when the fire broke out. She was saved, however, by being backed out into the bay beyond the reach of the flames.

An unusual incident in connection with this fire is that one of the Baltimore dailies called up last week to know if the ferry boat had burned. It seemed that a fire was discovered on the boat by the watchman who extinguished it.

This boat cost $150,000 to build and was insured for $100,000.

The almshouse trustees held their annual meeting at the home Wednesday entertaining the county commissioners in a most delectable manner. Mr. and Mrs. Sutton are successfully attending to the duties of the place.

THREATEN DRYS WITH LOADED GUN

Prohibition agents from Baltimore shifted their scene of operation from the Cecil county moonshine fastholds late Friday afternoon to the Rock Hall and Kennedyville sections of this county, raiding a saloon, seizing two stills, and arresting three men and one woman.

The agents, Irving Windsor and John Green, with Deputy Sheriff R. E. Lee, of this county, were threatened with a gun, they charge, when they visited the farm of Charles Neuhaus, age 40 years, at Reese's Corner, near Rock Hall, where they found a 50-gallon still, 108 bottles of supposed high powered beer, 3 barrels of mash, and a small quantity of alleged liquor.

Nehaus, it will be recalled, is the son of Henry Neuhaus, of the "want ad" matrimony fame in these parts. It was the father, who narrowly escaped the whipping post for beating his "want ad" bride. The latter was sent to a sanitorium after being accused of starting the disastrous fire at Church Hill this summer.

The son has been running the mysterious little roadhouse which always seemed to have plenty of customers, but was never raided. Local officers without search warrants have frequently been driven away from the place by Neuhaus, they say.

Late Friday afternoon, the 'dry' officers, with Mr. Lee, went near the place, and, according to their story, the odor of mash was so strong they decided they had authority to enter without a search warrant. As they went in Nehaus is alleged to have ordered his Negro helper, James Lee, to get the shot gun. As the officers started in, Neuhaus, they say, told them they would "get shot" if they attempted any search of the place. Apparently the Negro, who was holding the gun, was not anxious to do any shooting, so the officers easily overpowered both he and Neuhaus, seized the gun and went ahead with the raid.

The officers say the roadhouse was fitted as neatly and completely as any old timer would want to find a bar. They seized the alleged "wet goods," demolished the still, and took Neuhaus and Lee to Chestertown.

Nehaus and the Negro were each held in $10,000 bail by Magistrate Olin Stafford here on a state charge of resisting officers, and were later taken to Cambridge for formal hearing before United States Commissioner Willis.

After concluding the Nehaus raid, the officers went to Kennedyville, where they had heard James Whittington, colored, was operating a still. As they approached the house near the outskirts of the town, they saw Whittington's wife, hastily break a number of glass jugs, which, they feel sure, contained liquor. A small still was found on the premises. Whittington and his wife were [illegible] in possession of a still [illegible] also [illegible]

NEW YEAR WEDDINGS ARE NUMEROUS NOW

A pretty wedding was witnessed by the many friends and relatives of the principals when Miss Helen M. Baxter, the attractive daughter of Mrs. Elizabeth Baxter, and granddaughter of Charles H. Jefferson, of this town, and Richard B. Groves, an employe of the State Roads Commission and son of Judge James H. Groves, of Kennedyville, were united in holy wedlock in Chestertown M. E. Church Saturday at 11 a. m. The Rev. Wilbur F. Corkran, the pastor, performed the ceremony, which was preceded by a reception given by the bride's uncle, Harry Tucker, of Queen Anne's county.

The bride was attired in a gown of beige georgette, embroidered and beaded, with hat to match, brown suede shoes and a bouquet of bride roses and lillies of the valley. She was attended by Miss Rebecca Davis, as maid of honor, who wore a gown of sapphire blue with silver hat, and carried sweetheart roses. The groom's best man was Lewin Deputy. Ushers were Clifton Tucker and Heighe Hill. Miss Gene Cooper, the little ring bearer, wore a frock of white organdie and carried a bouquet of sweet peas. She is the daughter of Mr. and Mrs. Norman Cooper.

The wedding march was played by Miss Mabel Toulson, organist of the church. Following the ceremony, Mr. and Mrs. Groves departed at once on their honeymoon, which will be spent in the north. They will be at home at their apartment on Front street with Mrs. Hill and daughter.

Walter U. Lusby, prominent business man of this town and former owner of Tolchester Estates, was married Monday night to Miss Minnie Hudson, of Chestertown. The ceremony was performed in the apartment of the bride by the Rev. Dr. N. O. Gibson, pastor of Christ M. P. Church, in the presence of Mr. and Mrs. Thomas Davis, of Salisbury and Mrs. Garrett Foxwell, of Chestertown.

Wallace B. Wheat, Jr., of Philadelphia, and Miss Grace Harrison, of Hagerstown, were married in Baltimore Friday, December 23rd. On Saturday they came via Tolchester to visit Mr. Wheat's parents, Mr. and Mrs. Wallace Wheat, at Rock Hall, where they spent a week. The young couple are residing in Philadelphia.

Mr. and Mrs. John Biggs announce the engagement of their daughter, Miss Rachel Massey Biggs, to Rodman S. Mahaffy, son of Wm. G. Mahaffy, of Wilmington.

Miss Blanche M. Langrell, of Clayton, and Frank H. Naylor, son of George W. Naylor, of Townsend were married on Saturday at the home of Charles H. Ford, Clayton, by the Rev. J. Payton Adams, pastor of the M. P. Church, Clayton. They will live in Clayton.

Miss Florence Blackiston, of near McGinnis, and Lindale Lodge, of Dover, Del., were quietly married on Wednesday evening, December 28th, at the M. E. parsonage, Felton, Del. Miss Blackiston is the daughter of Mr. and Mrs. John Blackiston.

The following wedding of Miss Hudson to Mr. Dilley is taken from Akron, Ohia, paper:

Before her marriage Saturday Dec. 17, Mrs. Gilbert W. Dilley was Miss Marguerite A. Hudson. She is the daughter of Mr. and Mrs. John S. Hudson, 2543 Paxon avenue, Akron Ohio, and a niece of Mrs. Walter U. Lusby. Mrs. Dilley is a graduate of Mt. Marie College, Canton, Ohio, and is a senior at Akron University and is president of Mu Phi Omega Sorority. She received a music scholarship while attending Mt. Marie. Mr. Dilley is a graduate of Akron and Ohio Northern Universities and is affiliated with Chi Theta Tau and Delta Theta Phi fraternities. He is practicing law in Akron, Ohio.

Miss Catherine Knight and John Small came from Baltimore via Tolchester December 29th, went to Chestertown where they procured a marriage license, then motored to Rock Hall and were united in marriage by the Rev. W. S. Grant at his home there. The couple were accompanied by Elmer Kendall and dined with him at the home of his parents, Capt. and Mrs. Charles O. Kendall. Later in the day they returned to Baltimore by way of Newark, Del.

A quiet wedding took place Dec. 29th, at the home of Hersey Hyland at Joppa Park in Baltimore County when his mother, Mrs. Mary Katherine Hyland, of Rock Hall, and Harry W. Curlett, of Millington, were united in marriage, the ceremony being performed by Elder H. L. Shoup, of the Seventh Day Adventist Church, of Baltimore. The bride was attired in steel colored flat crepe with accessories to match. A small reception attended by friends and neighbors followed. Mr. and Mrs. Curlett are at present spending a short time at the home of the latter's son-in-law and daughter, Mr. and Mrs. Paul Hynson, at Rock Hall. They plan to motor to Florida for the rest of the winter and perhaps for permanent residence.

Marriages In Queen Anne's

"THE JOY OF LIVING"

The Chestertown Women's Literary Club presented Samuel C. Schmucker, of Philadelphia, as their speaker on Monday evening in the Court House. His subject was "The Joy [illegible] and the presentation of hor[illegible] by him caught a ready ea[illegible] audience. First he advis[illegible] ag[illegible] worrying, especially if you have [illegible] wife who will do your worrying for you. Then he followed this with advisiing his audience to eat anything as far as it was wholesome and agreed with the individual, to make decisions quickly and have a mind to decide matters for oneself, get plenty of fresh air, touch not intoxicating liquor because "you need all the wit you have in your business."

He closed with a reference to eternal life and spoke of it in a most beautiful manner, i. e., a promotion. The Club is to be congratulated for bringing to Chestertown such an excellent course of lectures.

The Georgia-Carolina School of Commerce is contemplating opening up a branch school of business courses here. The school has branches in over 200 counties in the United States and seeks to serve communities that cannot afford a large business school. It is believed the creation of such a school here would be of benefit to the business life of Kent county and fill a long-needed service in community educational life. The school would not conflict with high school work or the activities of Washington College. The Chamber of Commerce and other civic organizations in the county are interested in the proposed venture.
