NOW, ARE DR. HURD'S PREPARATIONS GOOD

The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. William B Hurd is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburgh questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the *Brooklyn Daily Times* says:—"We are happy to know that our friend Dr. Hurd; is succeeding beyond all expectations with his MOUTH WASH and TOOTH POWDER. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from their long use."

The well-known P. T. Barnum writes:—"I found your TOOTH POWDER so good that my family have used it all up. We find it the best powder for the Teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with bill."

But their cost is so small that every one may test the matter for himself.

☞Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT WILL DR. HURD'S REMEDIES EFFECT?

Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies the finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasant. Hundreds of persons can testify to this. Try them, gentleman.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing bad breath and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, etc., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husband more agreeable to their wives and wives to their husbands. They should be used by every person having

ARTIFICIAL TEETH,

which are liable to impart a tint to the mouth

Dr. Hurd's Toothache Drops cure Tooth ache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

NEURALGIA PLASTERS.

Dr. Hurd's Neuralgia Non-Adhensive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. *Will be mailed on receipt of price and one stamp.*

WHAT ARE THE PEOPLE DOING?

The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the Treatise on Teeth, some the Neuralgia Plasters, and not a few enclosing 37 cents or the Mouth Wash, to be sent by mail; but to these we are compelled to reply that it is impossible to send a half pint bottle by mail. The people want these remedies. *Who will supply them?*

Now is the

CHANCE FOR AGENTS.

Shreud agents can make a small fortunes in carrying these articles around to families. The Dental Treasury is the neatest article that a man or a woman can carry around. Send for one and see, or better, a dozen, which we will sell, as samples, for $7. Agents supplied liberally with Circulars. ☞Now is the time to go into buisness, to do good, and make a profit. We are spending thousands for the benefits of agents. New England men or women! here is something nice, and a chance to take the tide at its flood. Address,

DARLING'S

Liver Regulator.

and LIFE BITTERS,

are pure vegetable extracts. They cure bilious disorders of the human system. They regulate and invigorate the liver and kidneys they give tone to the digestive organs; they regulate the secretions, excretions and exhalations; equalize the circulation, and purify the blood. Thus, all bilious complaints—some which are Torpid Liver, Sick Headache, Dyspepsia, Chills and Fevers, Costiveness or Loosness—are entirely controled and cured by these remedies.

Darling's Liver Regulator

removes the morbid and bilious deposits from the stomach and bowels, regulates the liver and kidneys, removing every obstruction, restores a natural and healthy action in these organs. It is a superior FAMILY MEDICINE much better than pills, and much easier to take.

DARLING'S LIFE BITTERS

is a superior tonic and diuretic: excellent in cases of loss of appetite, flatulency, female weakness, irregularities, pain in the side and bowels and general debility. Read the following testimony:

Jas. L. Brumley, merchant, 184 Fulton st. New York, writes. August 18, 1860: "I have been afflicted with piles, accompanied with bleeding, the last three years: I used DARLING'S LIVER REGULATOR and LIFE BITTERS, and now consider myself *entirely cured.*"

Hon. John A. Cross writes, "Brooklyn March 15, 1860. In the spring of 1859 I took a severe cold, which induced a violent fever I took two doses of DARLING'S LIVER REGULATOR. It broke up my cold and fever at once. Previous to this attack, I had been troubled with dyspepsia several months I have felt nothing of it since."

Otis Studley, Esq., 128 East 28th street, N. Y., writes: "August 13, 1850—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used most all kinds of medicins, but found no permanent relief until I used DARLING'S LIVER REGULATOR and LIFE BITTERS. I passed clotted blood by the urethra I am now entirely cured, and take pleasure in recommending these remedies."

Mrs. C. Tebow, 11 Christopher street, N. Y., writes: "Feb. 20. 1860. I have been subject to attacks of Asthma the last twenty years I have never found anything equal to DARLING'S LIVER REGULATOR, in affording immediate relief. It is a thorough liver and bilious remedy."

Mrs. Young, of Brooklyn, writes: "Feb. 28, 1860. In May last I had a severe attack of piles, which confined me to the house. I took one bottle of DARLING'S LIFE BITTERS, and was *entirely cured* I have had no attack since."

D. Westervelt, Esq., of South 5th, near 8th street, Williamsburg, L. I., writes: "August 5, 1860. Having been troubled with a difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try DARLING'S LIVER REGULATOR. I did so, and found it to operate admirably, removing the bile and arousing the liver to activity. I have also used it as a FAMILY MEDICINE. When our children are out of sorts, we give them a few drops and it sets them all right. I find it meets the general wants of the stomach and bowels when disordered."

Reader, if you need either or both of these most excellent Remedies, inquire for them at the stores; if you do not find them, take no other, but enclose One Dollar in a letter, and on receipt of the money, the Remedy or Remedies will be sent according to your directions, by mail or express, post paid. SEWING MACHINE CO.

538 Broadway New York.

NO person who contemplates purchasing a Sewing Machine for family or manufacturing purposes, should fail to send for one of our circulars, which contains cuts and full descriptions of the several styles, prices and samples of work, all of which we send by mail free. We claim to have the

Best Sewing Machines in the World for either Family or Manufacturing Purposes.

IMPORTANT FACTS.

Fact No. 1.—The company being duly licensed, their Machines are protected against infringements or litigation.

Fact No. 2.—These machines make the lock-stitch—alike on both sides—and use a little less than half as much thread and silk as the chain or loop-stitch machines.

Fact No. 3.—These machines are better adapted than any other sewing-machines in the market to the frequent changes and almost endless variety of sewing required in a family They will sew from one to twenty thicknesses of Marsailles without stopping, and make every stitch perfect. They will even sew from the finest gauze to the heaviest cloth, and even stout, hard leather, without changing the feed, needle or tension, or making any adjustment of machine whatever. Is not such a machine best adapted to family use? and if BEST adapted to family use, why not for every variety of light sewing manufacture? For work too heavy for our Family Machine, we recommend our larger sizes.

Fact No. 4.—These Machines make the most elastic seam of any sewing machine in use—a fact of very great importance in sewing elastic goods, or goods of any kind, on a bias.

Fact No. 5—No Machine is more durable or more simple in its construction, or more easily understood. The reputation of these Machines wherever used will fully demonstrate each of the above facts.

Fact No 6.—These Machines took the highest premium at the Franklin Institute, Phila.

Fact No. 7.—These Machines took the highest premium at the N. Jersey State Fair.

Fact No 8.—These Machines took the highest medal at the American Institute, in the City of New York, together with the highest premium for fine Sewing Machine work.

Fact No. 9.—These Machines took both the highest premiums at the Mechanics' Fair, Utica, N. Y.

Fact No. 10.—These Machines can do the SAME thing generally, whenever properly exhibited in competition with other first class sewing machines. But we have space for only one fact more—it is the most important fact of all.

Fact No. 11.—*We warrant every Machine we sell to give better satisfaction than any other Sewing Machine in the market, or money refunded.*

JOB PRINTING

NEATLY EXECUTED

AT THE

"DEMOCRAT" OFFICE,

CAMBRIDGE, MD

THE PRIDE OF NEW YORK

1863'S SPECIALTY.

Grand Mirror of American Genius.

"Correct with spirit, eloquent with ease, intent to reason, or polite to please."

THE

NEW YORK MERCURY,

FOR THE NEW YEAR.

IT is with no fear of War's effect upon their literary fortunes, that the publishers of THE NEW YORK MERCURY acknowledge the unwavering loyalty of their TWO HUNDRED THOUSAND SUBSCRIBERS, and announce to them, and to all that the New York Mercury for this year (1863) will be richer in every luxury of Polite Literature than ever before. It is no upstart speculation, no temporary "sensation," but a first-class literary weekly, which has been familiar to the United States for a quarter of a century; and while the wishy-washy mushroom prints of yesterday are cutting down their talent even while they raise their subscription price, THE NEW YORK MERCURY maintains all its great Staff of Romancers, Poets, Humorists Essayists, Story-Tellers, and Editors, and promises to make it still greater for 1863.

It is the one paper for every home. Its forty columns of reading matter per week constitute an unparalleled

Conservatory of the Entertaining,

and its novels, Miscellaneous Tales, Beauties of Verse, Gossip, Feuilletons, Broadsides of Humor, and Polished Editorials, combine to epitomize all the charms of our literature.

Wit and Sentiment

The husband reads it to his Wife, the mother to her children, the lover to his sweetheart, the soldier to his comrades, and the village shoemaker to the circle around the stove. It is laughter to the sight of every man, woman, and child in our country, and has regular subscribers in several countries in Europe. The New York Mercury is also identified with the greatest patriotism of the age, for several members of its brilliant Staff hold high rank in our noble Army, and have made themselves as famous with the Sword as with the Pen. The great illustrating artist of THE NEW YORK MERCURY, the inimitable DARLEY, gives the paper the highest attributes of Fine Art, and yet this largest literary weekly of the day promises to surpass itself in all these respects during the New Year!

The first New York Mercury Novelette for the New Year, to commenced in the issue of January 3, 1863 is called

VICTORIA,

OR,

THE HEIRESS

OF CASTLE CLIFFE,

BY COUSIN MAY CARLETON,

AUTHOR OF 'GIPSY GOWER,' 'SYBIL CAMPBELL,' 'ERMINE,' 'LAMASQUE,' &c., &c., &c., &c., &c.,

The productions of this distinguished authoress need no eulogy. Public opinion has long since pronounced them superior to any other novelettes published on this side of the Atlantic, and the true test of their merit is found in the fact that they are eagerly reproduced, after their publication in the MERCURY, by the English Press. We may add that the new tale "VICTORIA," is fully equal in interest and depth of pilot to either of those which have secured so large a share of public approval, and we can earnestly recommend it to all story-readers.

The New York Mercury is sold by all newsmen and periodical dealers in America. To subscribers, it is regularly mailed every Saturday morning, for $2 a year; three copies for $5, six copies for $9; eight copies for $12, with an extra copy *free*, to the getter up of the club. LARGEST PAPER IN THE WORLD.

THE WAVERLY MAGAZINE.

A WEEKLY PAPER.

Devoted to Tales, Poetry, Music, History and General Intelligence.

MOSES A. DOW, Editor and Proprietor.

The unexampled circulation which this paper has obtained in about two years, bears ample evidence of its merits. Its contents are mostly original, from the best writers of the country,—of whom it numbers nearly one hundred, male and female, as regular contributors. The music is worth more than the price of the paper, and is a prominent feature, as it is either nearly imported, or written expressly for it. It contains sixteen pages in each number, 11 by 15 inches.

TERMS,—$2 a year, or $1 for six months, six copies to one post office, $5. All subscriptions stopped at the end of the time paid for. Postage only 26 cents a year, when paid in advance at the office of delivery. Sample numbers will be sent, if requested. A new volume, of 416 pages, commences every January and July. A title Page and Index included in each volume.

Among the notices of the press, we will only take three, as a sample of all the rest.

Waverly Magazine.—A new era of beauty and style, in the publication of newspapers, has been introduced in the bringing forth of the Waverly Magazine. This is not a pamphlet, but an elegant printed newspaper, in the quarto form. The style is rather showy, but elegant. It is filled with a great variety of matter, prose and poetry, tales, sketches, essays and music. A few years ago it would have been a marvel in the newspaper enterprise.—*West Citizen.*

The Waverly Magazine.—We are happy to perceive, by the last number of this elegant publication, that it has acquired the wide popularity which its high literay character and typographical appearance could not fail to procure for it. Each number contains more reading matter than any of its weekly contemporaries, and as much, almost, as any of the monthlies. Choice music is likewise given every week.—*Cottage Gazette.*

Waverly Magazine.—We have received from a friend a number of this elegant sheet. Boston has become noted of late, for its beautiful productions in the newspaper department, and the Waverly stands No. 1 in the list. Its contents are mostly original, and it numbers among its host of contributors the best talent of the country. Its editor, Moses A. Dow, is a fine writer, and has already obtained an enviable reputation among the fraternity.—*N. Y. Journal.*
