ROCK HALL

What a day Saturday was! Surely it broke some records for heat on November 12th. The wonderful days and bracing frosty nights seem perfect. Possibly some of the brilliant tints are fading but there are still enough to feast the eyes.

On Armistice Day the bank was closed and the national colors were generally displayed. All was quiet. Peace is the natural order of the world. When that idea is thoroughly absorbed and becomes a part of us a wonderful world this will be.

S. D. A. Church interior is finished, a metal ceiling, paint and stained glass windows the main features. There have been some interesting meetings recently. On Sabbath morning there was an "Investment" program, which means that the little folk of the church have been earning money for missionary work and that morning brought in the results of their labor and each told how the money had been earned. There were fourteen yards of nickels, amounting to $27.00. Quite a sum for such small workers. The program was in charge of Mrs. M. S. Pettibone and consisted of recitations and musical selections. Sunday evening the third lesson, the circulation of the blood, occupied the time from six to seven o'clock. At the end of the twenty-lesson course, which is under the supervision of Mr. Harry Wright and Mrs. Frank Sewell, assistant, there will be an examination and diplomas awarded the successful students. There was also a song service and a lecture by Elder Fishell, of Takoma Park, on religious liberty and colportage. Elder Fishell is general agent over Columbia Union. Mr. Groves, chief colporteur of Chesapeake Conference, was present. These gentlemen were guests of Mr. and Mrs. Newton Downey. Mrs. James Vansant, a member of the church and an excellent cooker of good things to eat, will give at her home a demonstration of the use of raisins and stuffed peppers.

The meetings of the last ten days, or evenings, at the Methodist Episcopal Church have been among the most interesting ever held in this town. The sermons have been preached by the resident minister, Rev. W. S. Grant, and three by Rev. Charles Adkins, of Concord. They have been from such texts as "And we came to Kadesh-Barnea," "What shall I do then with Jesus which is called the Christ," "Where are thou?" and "Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God." Rev. T. S. Barrett of Grace M. E. Chapel and Rev. C. L. Dawson, Wesley Chapel, have been present and assisted with the services. Piney Neck was specially invited to be present last evening and Wesley Chapel has received a cordial invitation for Friday ship ofevening. Singing is under the leadership of Mr. Louis Carroll, of Easton, and has consisted of congregational singing of old and new songse, solos, duets, trios and quartettes, with choruses. These meetings will continue the rest of the week except Saturday and all visitors are cordially welcome, being assured of meeting geniality and brotherly love. Next Sunday is "Family Dal," or "Go to Church Sunday." Let family groups attend on that day as never before. The Sunday School numbered 227, with seven visitors. The little children of the school are taking an active part in the singing under Mr. Carroll. Epworth League was conducted by Mrs. Susan Hague with an interesting program. The topic was "Win My Chum" which will be the topic again next Sunday at 7. P. M. with Mr. Marion R. Coleman in charge.
