ORDER OF PUBLICATION

IN THE CIRCUIT COURT FOR KENT COUNTY
IN EQUITY NO. 2602

EILEEN ZIEGLER
vs.
JOSEPH ZIEGLER

The object of the Bill filed in the above entitled case is to procure a Decree for divorce avinculo matrimonii for the Plaintiff, a resident of Kent County, Maryland, from the Defendant, a non-resident of the State of Maryland.

The Bill states:

1. That on the 14th day of June, 1923, she, Eileen Ziegler, was married to her husband, Joseph Ziegler, with whom she resided in the City of Wilmington, State of Delaware, until the 26th day of December, 1925.

2. That, though the conduct of your Oratrix towards her husband, the said Joseph Ziegler, has always been kind, affectionate and above reproach, the said Joseph Ziegler has, without any just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for at least three years, and is deliberate and final, and the seperation of the parties beyond any reasonable expectation of reconciliation.

3. That your Oratrix has resided in Chestertown, Kent County, Maryland, for more than two years next preceeding the filing of this application.

4. That your Oratrix and the said Defendant, Joseph Ziegler, have had no children born to them from said marriage.

5. That the said Defendant, Joseph Ziegler, is a non-resident of the State of Maryland, and is now residing, to the best of your Oratrix's knowledge and information, in the City of Wilmington, State of Delaware, and whose present address is 914 West 2nd Street.

It is thereupon, this 29th day of January, 1930, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 27th day of February next, give notice to the said Joseph Ziegler, non-resident Defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 14th day of March next, to show cause, if any he has, why a Decree ought not to be passed as prayer.

KIBLER'S CORNER

No. 12. February 12, 1930 Vol. 3.

Now that all the excitement about ground hog day has died down, we would like to ask—did anyone in Chestertown actually see a groundhog on groundhog day?

The demand for Kibler's clean coal has kept us on the move the past week, but we are prepared for your comfort. And all orders were delivered on time in our usual careful manner.

Wait—No.
Weight—Yes.

Rastus' last request was that his Mandy should marry Deacon Smith:
"Why so, Rastus?" sez she.
"Well, the deacon trimmed me on a houn' dog once," sez he.

Who remembers way back when a comic valentine was considered the highest form of wit? We've sent and received 'em ourselves. Haven't you?

This thing is going too far. We are now informed that—in an attempt to be original,—a young married couple in a near-by town, decided to switch things around once and let the husband shoot the wife.

"Doesn't she wear becoming dresses?"
"Yeah. becoming shorter and shorter."

They say vaudeville actors in England fight for the last place on the program—they get all the laughs that way.

Teacher: "Johnny what is a hypocrit "
Johnny: "A boy wot comes to school mid a smile on his face."

Can you believe it—42 days of 1930 are past already. Just doesn't seem possible, does it?

Benjamin Franklin said—"When the well is dry we know the worth of water." And we say you don't appreciate the comfort of coal until the bin gets empty. There still is and will be winter. Is your bin filled?
