HAMPTON'S TINCTURE

THE cure for *Chills & Fevers, Cough, Bronchetis—Asthma, Pain* in the breast, Dyspepsia Rheumatism—as a *female medicine we think it has no equal*; Every where the same success attends its use:

In proof of what we say above we refer you to *Hampton's Vegetable Tincture* and its effects.

The wife of T. W. Yeakle. Grocer, 76. Pearl street, cured of Rheumatism of 8 years' standing; all other remedies failed.

Wm. M. Oldham, (late of the Custom House) dwelling 128 Pine street, of Dyspepsia, great debility, permanently cured.

W. A. Shaeffer Esq., one of the oldest magistrates and most highly respectable citizens cured of great weakness and restored to robust health.

Jarret Plummer, 153 E. Baltimore st., suffered intensely six years with hip disease and mecurial rheumatism, cured after all other remedies failed.

Space will not permit to name hundreds of others, as Geo. W. Goodrich, Capt. Thos. Canot, Robt. Gault. Jas. Smyth, cured of Rheumatism.

John Pervail, S. A. Griffin John Luke, Rev. V. Eskridge, U. S. Navy, and thousands of others, cured of Dyspepsia, Scrofula, Cough, Liver Complaints, Bronchitis, St. Vitus' Dance &c. We refer to our own citizens. Call on them.

Dr. Hampton, the author of Hampton's Vegetable Tincture, is in his 80th year, in good health, so that it will be seen it is not an article got up to impose on the public.

Delicate females and children will find this a great blessing. It has restored thousands to health.

TREMBLING, FLUTTERING, PALPITATION OF THE HEART.—*Cure of a Dreadful Ulcer!*—Read the following Certificate from a Lady, endorsed by Postmaster E. P. Cooper:

CAPRON BRIDGE,
Hampshire county, Va., March 1, 1854.

Mr. E. P. Cooper—Dear Sir: Agreeable to your request and my own desire to benefit the afflicted, I hereby certify the great relief I received from the use of Hampton's Vegetable Tincture.

I was taken with a violent palpitation, or rather fluttering and trembling of the heart, which continued several days, it seemed as though my heart had almost forgotten its office. The family became alarmed and procured a bottle of this valable medicine, and before I had taken near one bottle of this Tincture of Hamptons I was entirely relieved.

This is the third instance of relief in my family from the use of this valuable medicine.—Two or three years ago I was laid up with Ulceration of the Ankle, from effect of what is usually called milk leg. I had lost all taste and appetite and the sore, which was some four inches up and down, and half way around my ankle, rejected every effort to heal it, until I procured Hampton's Vegetable Tincture, one bottle of which restored my health, healed my ankle, and I am freer from swelling than for the last thirty years.

Again, one of my daughters was very low from severe dysentery, and when she began to sit up her feet commenced swelling, which increased every day and began to be very painful. She used a bottle of Hampton's Tincture, the pains were assuaged, the swellings subsided, and her health returned. We kept her legs bandaged with strips of woolen until her strength returned. I have been thus particular that others under similar circumstances might be induced to avail themselves of this remedy. Yours with respect,
ELIZABETH EDWARDS.

I do hereby certify that I am personally acquainted with Mrs. Edwards, and can safely recommend the above statement to be correct.
E. P. COOPER, Postmaster.

ASTONISHING CURE OF SORE LEGS, AFTER NINE YEARS STANDING.
Copy of a Letter from Mr. W. J. Langley, of Huntsville, Yadkin County, North Carolina, U. S., dated Nov. 1st, 1853.

"READ HIS OWN WORDS."

TO PROFESSOR HOLLOWAY,

Sir,—It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned in despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health to my agreeable surprise and delight, and to the astonishment of my friends. (Signed)
W. J. LANGLEY.

AN EXTRAORDINARY CURE OF A BAD BREAST, WHEN NEARLY AT THE POINT OF DEATH.
Copy of a Letter from Mr. R. Durant, New Orleans, November 9th, 1853.

TO PROFESSOR HOLLOWAY,
38, Corner of Ann and Nassau Streets, N.Y.

Dear Sir. It is with heartfelt gratitude I have to inform you that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years sie had a bad breast, with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her: she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Charles-street, New Orleans. I send this from "Hotel des Princes," Paris, although, I had written it at New Orleans, before we finally left, at that time, not knowing your address at New York. (Signed)
R. DURANT.

The Pills should be used conjointly with the Ointment in most of the following cases:

Bad Legs	Contracted and	Lumbago
Bad Breasts	Stiff Joints	Piles

DR. JOHNSTON'S
Baltimore Lock Hospital.

WHERE may be obtained the most speedy and effectual remedy in the world for all SECRET DISEASES.

Gleets, Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys and Bladder, Loss of Organic power, Nervous Irratability, Diseases of the Head, Nose, Throat or Skin; and all those Peculiar Disorders arising from a CERTAIN SECRET HABIT OF YOUTH, which, if not cured, produces *Constitutional Debility, renders Marriage impossible*, and in the end destroys both *Body and Mind*.

YOUNG MEN,

Especially, who have become the victims of *Solitary Vice*, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senators with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, or any other impediment, should immediately apply to Dr. Johnston, and be restored.

Office No. 7, *SOUTH FREDERICK ST., SEVEN DOORS FROM BALTIMORE St.*, East side, UP THE STEPS. ☞BE PARTICULAR in observing the NAME & NUMBER, or you will mistake the place. Be not enticed from this office.

A CURE WARRANTED, OR NO CHARGE MADE, IN FROM ONE TO TWO DAYS.

The many thousands cured at this Institution, and the very extensive practice of Dr. J., is a sufficient guarantee that he is the only proper Physician to be consulted.

DR. JOHNSTON,
Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasuae finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those, who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of his horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progress on with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns."—To such, therefore, Dr. JOHNSTON pledges himself to preserve the most inviolable secrecy; and from his extensive practice in the first Hospitals in Europe and America, he can confidently recommend the most safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victims to this terrible disease owing to the unskillfulness of ignorant pretenders, who, by the use of that *Deadly Poison, Mercury*, ruin the constitution and make the residue of life miserable.

TAKE PARTICULAR NOTICE.

Dr. Johnston addresses all those who have injured themselves by private and improper indulgence, that secret and solitary habit which ruins both body and mind, unfitting them either for *Business, Society, or Marriage*.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irratability, derangement of the digestive functions, general debility, symptoms of consumptiun, &c.

Mentally: The fearful effects on the mind are much to be dreaded; loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c., are some of the evils produced.

Thousands of persons, of all ages, can now judge of their declining health. Losing their vigor, becoming weak, pale and emaciated, have a singular appearance about the eyes, cough and symptoms of Consumption.

DR. JOHNSTON'S INVIGORATING REMEDY for GENITAL DEBILITY.

By this great and important remedy, weakness of the organs are speedily cured and full vigor restored. Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved. All impediments to

MARRIAGE,

Physical or Mental Disqualification, Nervous Irratability, Trembling and Weakness, or exhaustion of the most fearful kind, speedily cured.

Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit.

WEAKNESS OF THE ORGANS
immediately cured and full vigor restored.

TO STRANGERS.

The many thousands of the most desperate and hopeless cases cured at this institution within the last twelve years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the reporters of the papers and many other persons—notices of which have again and again appeared before the public—is a sufficient guarantee to the afflicted.

DR. JOHNSTON, the only regularly Educated Physician advertising, is called upon every day, particularly by strangers, who, unfortunately, to their sorrow, thinking to save a few dollars; have suffered themselves to be enticed from this office by ignorant and lying impostors with small fees, to the ruinous abodes of quackery, where, after being trifled with as long as possible, instead of being even relieved, have been irretrievably and permanently injured.

Many of these Quacks copy Dr. JOHNSTON'S advertisements. STRANGERS, TRUST NOT your lives or health to the care of such illiterate and contemptable preteuders, but consult Dr. Johnston and be restored.

☞To those unacquainted with his reputation, Dr. Johnston deems it necessary to say that his Credentials or Diplomas always hang in his Office.

GLENN SPRINGS, Jan. 9th, 1853.

Messrs. BEACH & BROWNSON—SIRS: I send for another bottle of your "Marchisi's Uterine Catholicon." My wife has been afflicted for eleven years, and a variety of means has been restored for relief, but none was obtained until I received this medicine from you. Its influence seems almost magical: there was a manifest improvement from the day it was taken.

As there are a great many females in our country laboring under the affliction for which your medicine proposes a remedy, I feel it a duty to recommend it to all such.

MEDICAL HOUSE,
NO. 16, SOUTH FREDERICK STREET,
BALTIMORE, MD.,
ESTABLISHED IN ORDER TO AFFORD THE AFFLICTED SOUND AND SCIENTIFIC MEDICAL AID, AND FOR THE SUPPRESION OF QUACKERY.

DR. J. B. SMITH has for many years devoted his whole attention to the treatment of private Complaints, in all their varied and complicated forms. His great success in those long standing and difficult cases, such as were formerly considered incurable, is sufficient to commend him to the public as worthy of the extensive patronage he has received. Within the last eight years Dr. S. has treated more than 29,200 cases of Private Complaints, in their different forms and stages; a practice which no doubt exceeds that of all the other physicians now advertising in Baltimore, and not a single case is known where his directions were strictly followed, and medicines taken a reasonable time, without effecting a radical and permanent cure; therefore persons afflicted with diseases of the above nature, "no matter how difficult or long standing the case may be," would do well to call on Dr. SMITH, at his office, No. 16, S. FREDERICK STREET, and if not effectually relieved no remuneration will be required for his services. His medicines are free from Mercury and all mineral poisons, put up in a neat and compact form, and may be taken in a public or private house, or while travelling, without exposure or hindrance from business; and except in cases of violent inflamation, no change of diet is necessary

STRICTURES. Dr. Smith has discovered a new method by which he can cure the worst form of stricture, and that without pain or inconvenience to the patient. Irritation of the uretha, of prostrate gland, or neck of the bladder, is sometimes mistaken for stricture by general practitioners or charlatans.

YOUNG MEN and others afflicted with Seminal Debility, whether originating from a Certain Destructive Habit, or from any other cause, with the train of bodily and mental evils which follow, when neglected, should make an early application, thereby avoiding much trouble and suffering, as well as expense. By his improved method of treatment, Dr. S. can safely guarantee a speedy and perfect cure in all cases of this complaint.

TO FEMALES. All diseases peculiar to Females, (such as Suppression, Irregularities, &c.) speedily and effectually removed. The efficacy of his remedies, for the cure of the above affections, have been well tested in an extensive practice for the last twelve years.

DR. SMITH'S "PREVENTIVES," for Married Ladies, whose health will not admit, or who have no desire to increase their family, may be obtained as above. Price $5.

PERSONS AT A DISTANCE may consult Dr. S. by letter, post paid, describing case, and have medicine securely put up and forwarded to any part of the United States, always accompanied with full and explicit directions for use. Communications considered strictly confidential. Office arranged with separate apartments, so that patients never see any one but the doctor himself Attendance daily, from 8 in the morning till 9 at night.

N. B. Persons afflicted with any of the above complaints will do well to avoid the various NOSTRUMS and SPECIFICS advertised by Apothecaries and Druggists, as a certain cure for any and every disease. They are put up to sell but not to cure, and frequently do much more harm than good, therefore avoid them. A word to the wise is sufficient,

POETRY.

[For the Cambridge Democrat.]

To ——,

If ever the dew drop was loved by the flower,
When panting it drooped in its hot summer bower,
If ever to the peasant soft evening was dear—
When his calm cottage home in the valley was near,
If ever the heather was sweet to the lee,
Beloved thy affections is dear to me.

If ever the eagle was proud of his might,
As his eye met the sun in his heavenward flight,
If ever old Ocean was proud of his waves—
As foaming they rolled o'er brave seman graves,
If captives ever triumphed when randsomed and free,
I am proud of thy truth;—thy devotion to me.

If ever the exile on a far foreign shore,
Sighed friendships kind smile, he might never see more,
If ever the sweet nightingale wailed in the grove,
When she missed the self call of her answering love,
I pine for thy presence so blessed to me,
And waste my young spirits in weeping for thee.

But still in my sorrows one ray pours its light,
Like the moon when it bursts on the darkness of night,
If ever the bow spaned in glory the heaven,
If ever the bark through the blue deep was driven,
If ever the summer brought calm to the sky,
Our souls are unchanged in their faith till we die.

A BROWN-BREAD TOAST.

Mr. Howadjii Curtis, the poet of commencement day at Brown's University, Providence, delivered a supplementary poem at the dinner table, concluding with the following lines:

The muse begins to feel she is a bore,
And yet one lines she craves, but one word more.
He is the test whose virtues she had told,
The man whose memory will not grow old.
'Twas ever since first the world began,
'Tis of great need to be a *well-bred man*;
The world includes—if you will not refuse
A generous charity—just what you choose.
But not to be well-bred—what shall you do
To have it known a well bread man means you?
Much observation only can decide—
Go search the world and seek on every side;
I, for my part, have my word to say,
I, uncollegiate, till this very day,
Could never call my Alma Mater Bown;
Yet a brown toast will give you, sitting down,
And wish to state it gently, without noise—
I find the best-bred men were BROWN-BRED BOYS.

The Rose
—OF—
FENNOCK DALE.

A TRUE STORY.

BY MRS. S. C. HALL.

My good name is gone, Jane:
My hopes are all flown, Jane,
My hope is alone
In the land of the laced.
Old Scotch Ballad.

"Don't grieve so, my sister," said Frances Dillon; do not sorrow as those without hope: do not mourn as those who have no comforter. See even the bony roses, that not an hour ago I placed in your bosom, are covered with your tears," she continued, while a bright smile played for a moment on her anxious face. Rose looked on the flowers; and, while her blooming sister shook their drooping leaves, she extended her arm, and pushed from her forehead the clustering curls that shadowed her sweet face.

"Yes, Frances, yes; my tears blight your roses, just as my sorrows blight your happiness. Alas! alas! that I cannot alone suffer, who am alone guilty."

She raised her dark and expressive, but almost rayless eyes to the unclouded sky; and more rapidly the tears passed along her pallid cheek.

It was a fine clear evening in September; and perhaps nature had never blessed such a solitary spot with so much beauty. A narrow trout stream gurgled throug[illegible] adorned by groups of p[illegible] the bright purple and y[illegible] ly tinged their foliage; t[illegible] were speckled with she[illegible] one of the most distant [illegible] the village church of L[illegible] lofty trees that seemed [illegible] from the profane and v[illegible] of the streamlet on whi[illegible] Frances Dillon, embow[illegible] the nest of the cushat d[illegible] purple thyme; while th[illegible] poppy, and the sky tint[illegible] pathway that led to her[illegible] Myriads of singing bir[illegible] and poured forth thei[illegible] scene: the timid partr[illegible] evaded the foot of the [illegible] every where familiar, w[illegible] the green woodpecker [illegible] its beach-tree haunt, ev[illegible] Ranger, who, particip[illegible] his young mistress, s[illegible] squirrel, to pass and rep[illegible]
