WHAT IS SAID BY THOSE USING THE DEERING CORN HARVESTER:

CHESTERTOWN, MD., August 22, 1906.
INTERNATIONAL HARVESTER CO.—
Sirs: I purchased of Smith & Graham, your local agents, one of your Deering Corn Harvesters. I used it in all kinds of corn—light, heavy, weedy and wet—and it handled it very satisfactorily. I found that it was decidedly the cheaper way to cut off my corn.
J. FRANK LEAVERTON.

Washington College

CHESTERTOWN, MD.

One Hundred and Twenty-fifth Session Begins Sept. 19, 1906.

The College offers four courses of study—Classical, Latin Scientific, Scientific, each leading to the degree of Bachelor of Arts; and Normal, leading to the Normal Diploma, which entitles the holder to teach in any county of the State without examination.

Sub-Freshman and Sub-Normal Classes are maintained for the benefit of those who desire a thorough preparation. In the Collegiate Department the elective system enables each student to select the studies suited to his particular needs.

Students are provided with good board and comfortable, well furnished quarters. The buildings are equipped with ever modern convenience—steam heat, electric lights, baths. Here students may pursue their studies in a highly moral community, amid beautiful and healthful surroundings, under careful supervision of health and habits, at very low rates.

Bickford & Huffman Wizard Feed Drills

By the manufacturers of the Famous Bickford & Huffman Wizard Feed Drills, I am authorized to specifically deny that the device on Superior Drills *is the famous "Wizard."*

The only reliable, tried device used and manufactured by Bickford & Huffman for 20 years is found only on Bickford & Huffman Drills.

Beware of plausible imitations and experiments.

Avoid trouble and see me if you want the old reliable Wizard Feed.

TOLCHESTER FAIR.

There was no Dust!

The Rain Caused Disappointment to Hundreds--Thousands Attend the Fair Thursday and Friday—Management do Everything to Entertain All The People.

Capt. W. C. Eliason and Supt. G. E. Noland know how to run boats and manage a summer resort but they can't control the weather and for this reason the first two days of the tenth annual fair for Kent, Queen Anne's and Cecil counties was quite a disappointment for Jupiter just tried himself and poured forth volumes of water. However on Thursday the sun broke through the clouds and the Fair was attended by ten thousand. Friday was a beautiful day and into these two days were crowded excellent racing and the crowds enjoyed the exhibits. The award of prizes was an interesting feature and the winners were as follows.
