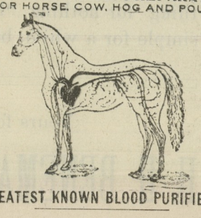
FEED FAIRFIELD'S BLOOD TONICS POWDERED

A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY



GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

A LITERARY TREAT.

The Benztown Bard at Firemen's Hall Next Tuesday Night.

Next Tuesday night, May 10, at Fireman's Hall, the people of this vicinity will have an opportunity to hear the celebrated Bentztown Bard. This well-known writer has consented to give one evening's entertainment for the benefit of the people of Chestertown through the Volunteer Fire Company, and a crowded house should be present. This lecture is a treat which the people of this community should not miss. They should back up the Fire Company in encouraging such an entertainment. The Bentztown Bard (Folger McKinsey) has been writing for the Baltimore Sun for several years, and every reader of that paper has enjoyed his writings with great pleasure. Go hear the Bentztown Bard and help a worthy cause.

The following is from the pen of the Bentztown Bard in yesterday's Sun:

The Green Gates of Glory.

The green gates of glory are open today
In valleys of dream in the dreamlands of May.
The green gates of glory
On mountain and plain,
Where Maryland sings sweet
Of the Maytime again.

Loved shores of Chesapeake, green gates of you
Swing to thy sweet tides of white spray and blue.
The green gates of glory
And yonder the strand
Where down dance the dreams
Of the loved Maryland.

The rose rims the gardens where Kent lifts its sweet
Through orchards of blossom and green fields of wheat.
The green gates of glory,
Dear Talbot dreams there,
With birds in her bonnet,
A bloom in her hair,

SHUSTER SHOES, have you seen the spring stock of latest styles for comfort and beauty.

REAL ESTATE BOOMING.

The Hurlock Farm of 203 Acres Sells For $17,900—Rock Point Bought at Private Sale, &c.

The sale of the Hurlock farm drew quite a number of real estate owners to Chestertown Tuesday. It was sold at public sale by Auctioneer C. H. Hurlock for S. P. Townshend and H. H. Barroll, Esqs., trustees of S. R. Hurlock, deceased. This farm contains 203 acres, is located near Kennedyville and tenanted by Mr. William T. Baxter. The bidding started at $14,000 and jumped up quickly to $17,000 at which bid it was struck off to Mr. William Baxter. Among the bidders were Messrs. J. Edw. Hurlock, Wm. Newton, John E. George and others. A well-known farmer who formerly lived adjoining to this farm says he remembers when $20 per acre for it was considered a good price!

Messrs. Wm. A. Wheatley, Jr., and Charles F. Wheatley have purchased the interest of Mr. Fred. G. Usilton in the residence and lot on corner of Mill and Cannon streets and occupied by their parents, Mr. and Mrs. Wm. A. Wheatley.

George E. Lambert, real estate broker, has sold to Mrs. Wm. J. Turbitt, of Washington, D. C., the Miss Ida Maslin place at Gratitude.

J. Waters Russell, real estate broker, on Tuesday sold at private sale Rock Point farm in Worton Point to James S. Harris, Jr. This farm contains 217 acres and formerly belonged to Baltimore parties. It is tenanted by Mr. Lewis Newsome. The price is said to have been about $8,000.

MRS. SHAW'S WILL BROKEN.

Case Set for Trial at Centreville in June "Compromised"—Heirs Allowed Half and Other Bequests Their Proportion.

The Shaw will case, which promised to be a long and tedious one, has been compromised. In short the heirs Jas. T. Parks, Maggie Pell, Mollie R. Hubbard, Ida Bellows, R. F. Parks, Annie Moffett and Wm. Barnett get one-half, while the other half is divided among the parties named in the will in proportion. These latter were as follows:

To Chester cemetery $500, in trust, to keep lot and graves in repair; if there be residue it shall be given to poor fund of Chestertown M. E. Church. To Chestertown M. E. Church, Union M. E. Church, Glyndon M. E. Church, Harlem Park M. E. Church, Baltimore, Bowery Mission of New York, President and Managers of the Baltimore General Dispensary of Baltimore, Children's Fresh Air Society of Baltimore, each $500. It is requested that the legacy left to the Chestertown M. E. Church be used for a memorial window if new church is built. She wills that any residue shall be divided among Baltimore City Missionary and Church Extension Society of the M. E. Church, Board of Church Extension of M. E. Church, Sunday School Union of M. E. Church, Baltimore Deaconess Home M. E. Church, W. C. T. U. Kent county, Home of Aged M. E. Church, and Young Women's Christian Association of Baltimore.

Hope H. Barroll and Rufus F, Parks were agreed upon as administrators. The estate is said to be valued at $25,000. All parties being satisfied, this is certainly a happy solution of a most difficult problem.
