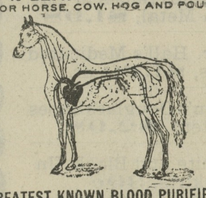
FAIRFIELD'S FEED BLOOD TONICS POWDERED

A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY



GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.
