Go drink at the fountain of pure water.

New York seems to be a good city—for the gamblers and the policemen.

When you want anything done get the women interested. Look at that fountain.

Manufacturing industries bring money to Westminster. Let's get some more of them— of the right kind.

We are satisfied to swap a cloud of dust for a whif of tar. The smell don't hurt, but the microbes do.

Mr. Andrew Spencer, of Smallwood, this county, shipped 640 bushels of onions from this city the past week.

Its funny how soon some people become leaders after they jump into a new crowd. We reckon that's what they jumped for.

Some of the Bull Meese are sorry they talked so much. Well it is all right, they are forgiven. They are all going to vote for Taft.

Keep the weeds down. Some of them are growing pretty fast, especially on some pavements in front of unoccupied properties.

Center street from Main to Willis street needs some attention. Don't overlook the taxpayers who don't live on Main street.

Miss Charlottt Myers, of this city is attending a house party at the home of her grandfather, Mr. John W. Myers, of New Windsor.

Mr. John S. Mills, of Washington, accompanied by his daughter Miss Margaret is visiting his sister, Mrs. G. W. Frizell.

Why don't the health officers look after some of the still ponds. There are several near town which are pretty good mosquito breeding places and serve no good purpose. Make the owners drain them or fill them up.

The derailment of a number of freight cars at Chewsville on the W. M. R. R. this morning caused a tie up of that part of the road for several hours. The Blue Mountain Express due here at 8.09 A. M. was several hours late.

The Summer Conference of the ministers of the Methodist Protestant Church which was held during the past week at Western Maryland College, adjourned this morning. It was attended by 60 ministers.

Many of our people don't know what is going on in the business world of Westminster. Read our articles on the Industries of Westminster and you will be surprised and instructed. Westminster has ceased to be but a dwelling place.

Messrs Bonaparte, Gaither, Shirm, Hill, Carrington and all the balance of the kickers have had their say but it won't amount to very much. Disappointed officeholders don't carry many votes with them when they jump out of a party. You can't fool the people. They don't want to and will not listen to your scrap with some other fellow.

In complance with instructions from the Department only two deliveries and collections of mail will be made in the residential section of the city during the vacation period of the city letter carriers, which begins Monday August 5th. The noon day delivery and collection will be made only on Main street from Court street to Penn. Ave. Mail may be gotten at any time at the office.

MOLESWORTH—DEMUTH

A pretty summer wedding took place yesterday afternoon when Miss Annie Demuth, daughter of Mr. Jno. H. Demuth, was married to Mr. Edward M. Molesworth, of Mt. Airy, Md. The ceremony was performed at 1 o'clock by the Rev. Frank Isaacs, pastor of Franklin Street Methodist Episcopal Church at the home of the bride's father, 946 West Franklin St. The wedding was a quiet one and was followed by a small breakfast for the two families. The house was decorated with pink roses and ferns. The wedding marches were played by Mrs. William Stansbury. The bride wore a gown of white embroidered muslin and carried a shower bouquet of lillies-of-the-valley and gardenias. Later in the afternoon Mr. and Mrs. Molesworth left for the North. Upon their return they will make their home at Mt. Airy, Md.

WHY IS WESTMINSTER FIRM?
Because Its Citizens Have Learned The Truth.

After reading this generous and encouraging report from Mr. Campbell those who have the misfortune to suffer, as he did, will naturally long to get similar relief. But to get the same good as Mr. Campbell had, you should get the same remedy, There are of course, other kidney pills but there are no other kidney pills the same as Doan's. That is why Westminster people demand the genuine.

M. E. Campbell, E. Main St., Westminster, Md., says: "I have used Doan's Kidney Pills, procured at Moore's Drug Store, whenever I have been in need of a kidney tonic and they have always given satifactory results. For backache and other kidney disorders I consider this remedy unequaled."

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachain Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed. Deafness is the result, and unless the inflamination can be taken out and this tube restored to is normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one-hundred dollars for any case of Deafness caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.
