## UP SALT RIVER!

TO

WILLIAM T. GOLDSBOROUGH,*

the man who was very badly beaten for the office of Governor of Maryland, by Col. PHILIP FRANCIS THOMAS, the following lines are most respectfully inscribed by the

MULEY COW.

Make way for Salt River, the trains moving fast,
Push on with the Dorchester Farmer.
Come clear up the track and let the Coons pass,
Push on with the Dorchester Farmer.
We've heard the last sound of that same old tune,
We've had the last sight of that same old coon,
We'll ne'er meet again by the light of the moon.
Push on with the Dorchester Farmer.

Our humbugs are all ended, our songs are all sung,
Push on with the Dorchester Farmer.
Our tongues are all weary, our legs are all sprung,
Push on with the Dorchester Farmer.

Our hopes are all faded, our friends out of rank,
Push on with the Dorchester Farmer.
We've been lick'd by Philip, and routed by Frank,
Push on with the Dorchester Farmer.

Then up to Salt River with old Goldsborough,
Push on with the Dorchester Farmer.
His sun has gone down, so the people say, oh!
Push on with the Dorchester Farmer.

Steer free of the snags, and keep up a hard stroke,
Push on with the Dorchester Farmer.
The people have chosen their man—Philip Frank,
Push on with the Dorchester Farmer.

They've put our man Goldsborough in a fright,
Push on with the Dorchester Farmer.
They've vetoed his claims, & knocked out his sight,
Push on with the Dorchester Farmer.

Then raise the sails higher and rattle away,
Push on with the Dorchester Farmer.
"We *will* have REFORM!" the people all say,
Push on with the Dorchester Farmer.
We'll tarry no longer to hear our doom,
Salt River will echo it much too soon,
For there we are bound by the light of the moon,
Along with the Dorchester Farmer.

*During the campaign, Mr. Goldsborough's friends donned him the "Dorchester Farmer," in order to get the Farmers throughout the State to support him. *But it was no go*—"old birds were not to be caught with chaff."

## Raising Blood

AND CONSUMPTION, PAIN IN THE SIDE AND NIGHT SWEATS, ASTHMA, WHOOPING COUGH, PALPITATION OF THE HEART, LIVER COMPLAINT, BRONCHITIS,

And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam.

*RAISING BLOOD & CONSUMPTION.*

Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he

*COULD NOT LIVE.*

Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 139 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had

*SAVED HIS LIFE.*

His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburgh, living in Tenth, near South Fourth-street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher.

*14 YEARS*

Mr. John O'Neil, 10 avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get

*NO RELIEF*

till he tried the All-Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

*PLEURISY AND CONSUMPTION.*

Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her

## Surprising Relief

AND

*PERMANENT BENEFIT*

is obtained in almost every case of suffering where the Dr's Remedy is recommended. It has been fairly tested in that most distressing complaint ASTHMA, and has proved itself to be a perfect antidote. It has been faithfully tried in CONSUMPTION, & has made more CURES than any other Remedy in the World.

*SHERMAN'S OLOSAONIAN,*

OR

*ALL-HEALING BALSAM.*

Mrs. Lucretia Wells, residing at the Home for Sailors, 322 Pearl st, has been afflicted with Asthma for the last forty-two years, and to such a degree that it was thought oftentimes that she would die. She could not lay down in bed, she coughed constantly, she could not go up stairs, and raised a great deal of matter from her Lungs. One bottle of this Great Remedy has so far relieved her that she is comparatively well.

W. C. Gowan, of the town of Woodstock, Ulster county, experienced more relief from one Bottle of this Great Remedy than from all the medicines he had ever taken in his life. His disease was Asthma, and he pronounces the Olosaonian to be the most valuable medicine in the world.

Mrs. Bond, the wife of Mr. William Bond, the celebrated Boston Cracker Baker, of Brooklyn, was afflicted with Asthma for 30 years. She oftentimes appeared to be dying. The best medical advice of New York and Brooklyn gave her no material relief. After taking three doses of the medicine she perceived a very great alteration in her breathing, and in a week or two under its use she pronounced herself to be "*as well as she ever felt in her life.*"

Henry Jackson, residing in 13th street, came to the store in a carriage for the purpose of obtaining a Bottle of the Olosaonian. He was so exhausted on his arrival that he could not speak. He had suffered for more than 30 years with this distressing disease. He returned home with a Bottle of the Remedy, and in four days after commencing its use, he walked from 13th street to the office to tell his joy at the wonderful effects of this Great Remedy, a distance of more than two miles. He is now comparatively well.

Mrs. Archibald, 35 White st.; Mrs. McGann, 20 Walker st.; Mrs. Robert P. Bell, of Morristown, N. J., Mr. Wilkinson, of Hoboken, N. J.; and hundreds of names might be given to prove the efficacy of the Dr's Olosaonian, or All-Healing Balsam in this disease over every other remedy.

*SPITTING OF BLOOD.*

This is a dreadful symptom. It is necessary to say that it belongs to the symptoms which often precede, but more properly indicate the presence of that fell disease Consumption. Yet there are many who are troubled with this symptom who do not take the alarm, and trifle away the time with the use of "Palliative Remedies," while the disease continues its ravages, and the sufferer is soon beyond the reach of hope. *ALL-HEALING BALSAM.*

Extract of a letter dated 19th May, 1845—

Dear Sir,—On the 20th of April I was attacked with spitting blood, but did not take much notice of it for a week or more, thinking I should get better in a few days. I however grew worse, raising great quantities of blood, had a tickling cough, with a severe pain in my chest and left side. I became so debilitated at the end of the month, that I could scarcely walk. I commenced taking your Olosaonian, and from the wonderful relief and benefit received from the use of two bottles, I most heartily tender you this testimonial. I am now nearly well again. CHARLES ROBERTS, 171 canal st.

Mrs. Wilby, the wife of Mr. F. Wilby, 133 West 18th st., was reduced to the verge of the grave by raising blood. All the means adopted for checking the hæmmorrhage from the Lungs failed until she used this great Remedy. It was attended with immediate effect, and a fortnight after commencing the use of it, she was able to attend to her usual duties about the house.

Mrs. Thoubourne, 352 Monroe st, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosaonian, and declares it to be the greatest remedy in the world.

David Henderson, 60 Light st., Dennis Kelly, 26 Water st., Henry Lisbon, 179 Rivington st., Geo. W. Burnett, formerly of Newark, N. J., and numerous names could be added if necessary.

A case of Paralysis, completely cured, and the patient restored to perfect health and strength by the use of that truly great Remedy Hunt's Liniment.

Bethlehem Township, Hunterdon Co. N. J.
August 22, 1846.

*George E. Stanton, Esq.*—SIR: Having been restored to perfect health from a Paralytic Attack, by the use of your Hunt's Liniment, I feel it a duty incumbent upon me to inform you of this fact. I was attacked with the Erysipelas and took a very severe cold and confined to my bed for three weeks, perfectly helpless, I was not able to move my limbs the slightest, not even my finger. The Physician gave me up as a hopeless case, and one for which they could do nothing. As a last resort my friends procured your Liniment, and the first application restored animation at once and by the use of three bottles, I am enjoying my health and strength. I believe that Hunt's Liniment saved my life and am very desirous that every one should know the value of this wonderful Medicine. My whole neighborhood will attest to the truth of the statement.

Yours respectfully,
ELIZABETH MILLIGAN.

Weymouth Landing, Mass. May 7, 1847.

This is to certify that my daughter, Caroline, having sprained her ankle, was attended by one of the best Physicians in this section of the country for over three weeks, without any visible relief. I was induced by the recommendations of the Agent to try a bottle of Hunt's Liniment. The relief was immediate, and I would cheerfully recommend it to the patronage of the public.
