would say to persons living at a
who would like to subscribe to t
mocrat' and pay in advance; th
can remit us $1,50, through t
very easily, by sending a $1 n
two twenty-five cent pieces in a
post-paid. There need be no
for persons who wish to pay in a
for the money will come safe to
if mailed in the presence of the po
ter. Any subscriber disregardi
notice, will have to pay $2, as
not nor will not deviate from ou
lar terms.

THE POSTAGE BILL, as pass
House of Representatives by 13
to 75 noes, embraces the followi
visions: A uniform rate of thre
on letters weighing not over
ounce. No diminution in the e
mail service and compensation t
maters. On printed matter, no
two ounces, one cent postage;
books, not over 30 ounces, to be
ble. On newspapers, in the State
printed, only one half the foregoi
—no postage when mailed to
subscribers in the county where
or within 30 miles. A deductio
per cent, on magazines, when
A three cent coinage; and stam
now, to be sold at post-offices;
of them being punishable with
imprisonment. An appropriation
500,000 to meet any deficienco
revenue. Letters uncalled for
end of two weeks to be advertise
only. Suitable places to be prov
cities, or towns for the deposit of
to be collected and delivered by c
at one and two cents each.

FREIGHT CARS.—The D
Chicken states that the Wilmingt
Baltimore Railroad Co., are buil
their manufactory in Wilmingto
fifty freight cars, to convey freig
Philadelphia to the terminus of t
more and Ohio Railroad, and fi
Pittsburg and Cincinnati, when t
roads have made their connecti
those places. At present freigh
ded for the West per railroad fro
adelphia, has to be unloaded a
more, and there reloaded in th
the Baltimore and Ohio Railroad
arrangement will prevent it, the
ing right through.

its citizens the subject of memo
the Convention at Annapolis, as
formation of Howard County.
tion has been printed and circu
signatures. The assessable pro
Howard District is greater than
seven other counties in the S
within a fraction of four others.

THREE CENT PIECES.—The
Representatives on Friday inser
vision in the postage bill autho
directors of the mint to coin *th*
peices, three-fourth silver and o
copper, with a suitable device
differ from the gold dollar and s
dime, so as to be readily disti
from the same.

On Tuesday the Virginia
Delegates, by an *unanimous* vot
ted the Governor to *return* to
her "peace resolutions," with t
ration that, when Vermont sh
her willingness to consult the
this Union, by doing justice to
stitution, it would be time en
Virginia to consult with her
peace of the world.
