79

Sir

79 I think I have sent by the Bearer hereof Capt. Moore Sixty Musket Barrils; they have been well proved; and I hope will answer the End they are intended for; But the Looping is not as Neatly Done as I Could wish — this opper=tunity is the first I have had Since I was Down. — I Remain Your most obedient humble Servt. April the 12th 1778 —
