It hath been my hard fortune to Marry with an Husband Left so Much only Lookt Upon as my Children Estate were my husband Charles Ballard late deceased hath with great industry & labor gotten for me & my Children. Now my humble request to you Hon. is that you Will Vouchsafe to grant unto my Sonne Arnold Esq. a Lett. of Adm. on. mark

The S. Esq. brought an other Lett. to the Same purpose as the precedent from Henry Smith of Somerset County afores. Gent. following in these words viz.

Honored Sir.

In September last past I Received a Commission for the Securing of Sarah Ballard with a Lett. of Adm. to be delivered unto the S. Sarah upon her giving Security of Small the Value of the Estate, the Estate hath been appraised as the inclosed may appear, but yo. Sarah within four dayes after her taking of her oath she married with one Hugh Lucas whom by their outward Living there is no Security, but when yo. Lucas as his Wife informed me had taken from her the Books & the Bills & had Converted some of the Debts unto himself by taking Bills in his own name as also Bills composed of Overall of the Cattle Upon which Information I not having the opportunity to see him demanded Security of the said Sarah before yo. Hon. that Some mean might be used to Secure the orphans Estate Upon information Given him that Security must forthwith given he hath departed from the house & this County ever Since yo. Lieut. Gen. Arnold was not yet returned but before departure did threaten to ruinate yo. Sarah & her children.

Therefore the S. Sarah doth humbly Supplicate yo. Hon. to grant unto her Kinsman Arnold Esq. a Lett. of Adm. on. to whom she would rather might be Intrusted unto her Children & Estate than yo. Lucas the being not in a Capacity to get Security the Same her were required in aforesd. Lett. of Adm. on.

Honored Sr. I am also to inform you that yo. Sarah hath purchased the plantation she now Lieth on & hath made Fencing, Sowed all the Marsh planches & reared a Forty foot house with a porch on Story High adjoined down & ready to be done the workmen paid for the most part for the finishing of the S. house all which with yo. plantation were it valued in my Judgment cannot be less worth than two hundred pounds, the whole plantation is given in the Countenance by yo. Sarah after her arrival unto her acquaintance from Edward Ballard all which was to my knowledge purchased out of the Estate. I hope yo. Hon. Will kindly Consider of order with what speed may be for the Securing of yo. poor orphans Estate all which I Referrs unto yo. Hon. great Wisd. & Judgment. I rest and Resty. yo. Hon.

Most humble Srv.
Henry Smith
