After nearly a week of torrid weather and a daily thunderstorm a welcome change to lower temperature came on Sunday, following a rain that began at 3 A. M. and continued for more than three hours, with varying precipitation. Most of these electric storms brought only very moderate rainfall to this locality, but in some sections it was heavy and neighboring counties were storm swept.

In the northern section of this county wheat harvest began about the middle of last week and is now about over. It began in other parts of the county on Monday and by the end of the week little grain will be left standing in any section. It is generally agreed that the yield is excellent and the grain of good quality. As the result of a bumper crop, throughout the country, and the depressed condition of business combined, there has been a marked decline in price.

The Fourth will be the first big day at Emory Grove this summer. There will be baseball and other games and a patriotic celebration. A special Independence Day dinner will be served in the hotel by the new manager, Mrs. J. M. Gemmill. In the evening a concert will be given by the Floyd Featherstone Musical Company, of Washington, and "safe and sane" fireworks will be displayed. The day is generally one in which there are many family reunions at the hotel and in the tents and cottages.

The general market as held last summer by the congregation of the Church of God, in the large yard of the Central Hotel property, this city, will open again for the summer July 4th. All proceeds go for the benefit of the church and all who will patronize this market will help a good cause along. Go and take your friends with you. They expect to exhibit and sell fruits, all kinds of vegetables, bread, all kinds of cakes, pies, candies and ice cream. The Ladies' Sewing Society will have a fancy table at the market. Every one welcome.

The W. H. Davis Company of this city received the new Cycle Car Twombly on Monday. It is a novelty in motor vehicles and by its appearance created considerable interest among citizens who saw it on the streets. On Tuesday Mr. Davis and one of his salesmen, Mr. Osborne, made a trial trip of 100 miles for the purpose of demonstration, and were very much pleased with the action of the car. Baltimore was visited on the trip and Mr. Davis reports that while in the city he took orders for twelve of the Twomblys.

After an absence of nearly a month from Springfield State Hospital, Sykesville, from which he had escaped, a male patient was found Tuesday night roaming in the woods near Hebbville, about four miles northwest of Catonsville. The queer actions of the man attracted the attention of several residents of the neighborhod and the Catonsville police were notified. Patrolman Peters drove to the scene and took the man to the Catonsville Police Station. He was turned over to the Springfield authorities yesterday. The name of the man was not made public.

MRS. JOHN EDMONDSON

Besides her aged husband she is survived by several children among whom are Mrs. Reno Waltz, Noah Edmondson and Alfred and Thomas Edmondson, of Gamber. Rev. William F. Bauscher conducted the funeral service. The pallbearers were: Messrs. Harry C. Shipley, William N. Barber, Emory Baker and John Baker.

GREENBERRY W. WEAVER

Mr. Greenberry W. Weaver, a native of this county and for many years a resident of Manchester, died at his home in Gettysburg, Pa., on Sunday. He was born in 1832, and was about 82 years old. Until a year or two ago he was in vigorous health, but gradually failed and died from an affection of the heart. While residing in this county he was for ten years—1859 to 1869—postmaster at Silver Run. He was an energetic business man and nearly 30 years ago, with his son Horatio, established a successful and prosperous dry goods business in Gettysburg. He was, until failing health prevented, a frequent visitor to this county, where he had a number of relatives and many friends. He was an almost lifelong member of the Reformed Church. His funeral and burial tok place in Manchester on Tuesday. Mr. Horatio Weaver is his only son.

MRS. FRANCIS E. SCHNEIDER

Mrs. Catharine Schneider, wife of Mr. Francis E. Schneider, of Shipley, died very suddenly yesterday morning, at her home, of heart disease, aged 61 years, 4 months and 7 days. Mrs. Schneider was a daughter of the late Mr. and Mrs. John Zellers. She leaves her husband, four sons and one daughter—Francis Edward, Anthony A., and John E. Schneider, and Mrs. Lewis J. Warner, all of Baltimore, and William Schneider, of Wheaton, Ills. As none of their children now live at home Mr. Schneider is left alone and there is great sympathy for him in his sad bereavement, by all who know him. The funeral of Mrs. Schneider will be held at Trinity Lutheran Church, Deer Park Road, at 10 o'clock, Saturday morning and her remains will be interred in the church burial ground. Rev. Wm. L. Seabrook, the pastor, will conduct the services.

J. W. OURSLER

Mr. John W. Oursler, husband of Mrs. Mary F. Oursler, died Saturday, June 27th at his home, 2232 Guilford avenue, Baltimore, aged 66 years. Mr. Oursler was born in Carrollton, this county, and was a son of the late Azariah and Julia Oursler.

Mr. Miller, was held at ten o'clock in the Sandy Mount Methodist Protestant Church and the interment was in the adjoining cemetery.

WALSH—BALTHIS

Rev. John L. Walsh, pastor of Fort Avenue Methodist Episcopal Church, and Miss Mary Evelyn Blanche Balthis, a school teacher of Baltimore, were married Tuesday night at Harlem Avenue Methodist Episcopal Church, Baltimore. The ceremony was performed by Rev. Edward Hayes, superintendent of the West Baltimore district of the Baltimore Conference of the Methodist Episcopal Church, assisted by Rev. J. C. Upon their return they will make their home at 1313 Harlem avenue. Mr. Walsh was pastor of Centenary M. E. Church, this city, about twenty years ago.

METHODISTS ON PILGRIMAGE

A preliminary pilgrimage was made Monday to historic sites of Methodism in this county, preparatory to the great Strawbridge pilgrimage October 15.

The several chairmen of committees appointed by the American Methodist Historical Society came to this city in the touring car of Daniel Baker. In the party, besides Mr. Baker, who is chairman of the finance committee, were the Rev. Dr. J. F. Goucher, president of the American Methodist Historical Society, and the Rev. Dr. F. G. Porter, secretary; the Rev. Dr. E. L. Watson, program; the Rev. Dr. H. D. Mitchell, transportation, and the Rev. Dr. J. F. Heisse, publicity.

In this city the party was met by the local transportation and entertainment committee, among whom were the Revs. J. T. Marsh, L. E. Bennett, G. H. Fielding and E. T. Read and Carroll Albaugh.

The committee visited the John Evans house, probably the oldest house in America in which the Methodists have held service. The house was deeded several years ago by George W. Albaugh to the historical society. Mr. Albaugh will put the house in first-class condition before the pilgrimage.

David Stem met the visiting committee at the site of the old Log Meeting House, the first building erected by Methodists in America, as Marylanders contend. A plot of ground on which stood this meeting house, built by Robert Strawbridge, has been dedicated to the American Methodist Historical Society by Mr. Stem. Before the pilgrimage there will be erected on this site a reinforced concrete block, 11 by 10 feet, nine feet above the ground, the block being one-fourth the size of the original house. Dr. Goucher briefly addressed the little band of pilgrims at this spot, and, after the singing of a stanza of "Faith of Our Fathers," prayer was offered by the Rev. G. H. Fielding, of the Methodist Episcopal Church South, and the Rev. Edgar T. Read, of the Methodist Protestant Church, this city.

Luncheon was served in New Windsor Methodist Episcopal Church by the Ladies' Aid Society. After a brief business meeting the committee and officers returned to Baltimore.

WESTMINSTER'S CELEBRATION OF THE FOURTH OF JULY

Parade, Music, Greatest Display of Fireworks Ever Seen in This City

Parade will form at the High School Building at 6.30 o'clock and march to the baseball grounds, where the program of the evening will be rendered.

Singing of national airs by 200 children and young people. Declaration of Independence. Patriotic address. Band concert.

An expert mechanic will display the beautiful fireworks. There will be the "rocket's red glare, the bombs bursting in air" and the flag will be there, in fire of red and white and blue.

EVERYBODY COME!

In the event of rain on Saturday night there will be singing and fireworks on the first clear week night.

Note: All children who have Indian suits or cow boy suits are requested to wear them. Flags will be provided for all the children in the parade. The Boy Scouts are asked to take part in the parade.

The Westminster Chautauqua is to be essentially a joyous occasion. Besides many concerts capably rendered, and many lectures combining the educational and the entertaining, there will be a number of purely entertaining events.

Ellsworth Plumstead, Impersonator, rendering selection from famous American Humorists, will come early in the week. There will be plenty of fun when Plumstead turns loose. Grown-ups and youngsters will enjoy him alike. His jollity is the infectious sort which carries his audience off their feet. Edmund Vance Cooke, the well known poet, after hearing Plumstead in Riley's "Raggedy Man," was inspired to write the following lines which he sent up to the stage at the close of the performance in acknowledgement of the evening's fun:

"Riley wrote the 'Raggedy Man',
"The Raggedy Man's a hit.
Riley wrote 'The Raggedy Man',
But Ellsworth Plumstead's it."

Ross Crane, Cartoonist and Clay-Modeler, with his company of "Cameos and Crayons, Modeling-Board and Clay, and the Piano, to say nothing of the Piano Stool," as he whimsically puts it, will follow, a little later in the week. His platform work is entertainment, plus. He captivates every audience and every element in every audience. Rarely have all the essentials of a great entertainer been so completely united in one personality. He is a painter, sculptor, humorist, philosopher, always a master of his audiences. Twenty minutes of his program is devoted to sculpture, when, under the swift skill of his hands, six or eight great heads—portraits of men whom the nation loves—as well as caricatures of national types, grow as if by magic from the shapeless clay. The remainder of his program is made up of humorous cartoons and rapid-fire paintings, spiced with the comment of the artist.

Another great event will be the College Players in "Twelfth Night." Ten college people under the direction of Miriam Lippincott will play the famous old comedy in the style for which it was designed. They are excellently costumed and are excellent actors. Their performances will be full of fun and jollity, keeping to the true note of the Chautauqua spirit.

Saturday, July 4th, the Westminster team will have as their opponents the strong Alco Athletic Club of Baltimore City. The first game will be played in the morning at 10 o'clock and the second game in the afternoon at 3 o'clock. This team is one of the strongest amateur teams of the State having a number of no-hit-no-run games to its credit this season, and the base ball fans of Westminster and vicinity should make an effort to see these two games on the 4th which promise to be the best games of our season here.

TIMELY RAP BY EVANS WINS GAME FOR HAMPSTEAD FROM GAMBER

Hampstead, June 27.

The Hampstead team won the 3rd consecutive game today when they made it three straight from Gamber, 4 to 3. The game was a pitchers' duel between Taylor and Arnold, the former having a shade the better of the argument. Loose fielding with 2 wild throws was the cause of Gamber's defeat. Taylor scored the winning run on Evans' single in the ninth inning. The score:
