WOMAN'S CIVIC LEAGUE DOING THEIR BIT

Miss Erieson Gives Demonstration In High School Building Under Managment of Civic League.

WAR KITCHEN CLOSED FOR SUMMER

On Wednesday afternoon, June 26th, in the domestic science room, high school building under the management of the Woman's Civic League, Miss Erieson, of the Maryland Agricultural College, demonstrated cottage cheese as a meat substitute. Miss Ericson gave four processes by which cottage cheese can be made and gave its nutritive value. In each pound of cheese there is as much protein or body building material as there is in a pound of beef. But cheese is not as rich in its energy supply as meat. The lesson was very profitable and attractively given and it is very much regretted every farmer's wife in Carroll county could not have heard it. Cottage cheese is a very profitable and economical way of using skim milk. Bulletins upon the subject can be gotten from Miss Everett, county home demonstration. The weekly war kitchen conducted by the League with Miss Everett as instructress has closed for the summer. On Thursday morning, June 27, at 8.30 o'clock, a number of the ladies of the League assembled at the war garden corner Main and Center streets, to weed their potatoes. The interest in and care for the garden by our citizens generally is much appreciated by the ladies. The old paper committee has secured a storage place and resumed the collection of old papers and magazines, and collections will be made as before the first Saturday of every month.

Persons having paper they are willing to give if they will call Mrs. D. F. Shipley or Mrs. A. P. Rainey they will be called for.

A Letter From Mr. Charles H. Kolb

To the Editor:

If you will be kind enough to allow me to do so, I should like through your columns to make a statement to the patrons and friends of the Westminster High School.

I have tendered my resignation to Board of Education to take effect August first. But I want the people of Westminster and Carroll County to know that I have been forced to take this action and that I am not leaving of my own accord.

Several weeks ago I was informed by Superintendent Unger that he would not recommend me to the Board for reappointment, and a day or two later President Wantz told me that he would follow Mr. Unger's lead in the matter. That meant that I would have to make a fight to hold my place. I have not chosen to make a fight, because I felt that even if I should win, I could not do good work under a superintendent who had tried to remove me.

Having fully decided to sever my connection for the present with the school system of Carroll County, I do not care to enter in any controversy with Superintendent Unger as to his reasons for dismissing me. I will say, however, that I believe the great majority of our people see no reason for a change in the principalship of the Westminster High School, and I venture to add that the public servant who deliberately flies in the face of public opinion will have his reward.

I want to express my deep appreciation of the cordial support and cooperation of my many friends in Westminster and vicinity during my long and pleasant term of service here. I have been here so long, and the associations I have formed are so congenial, that it seems hardly possibly that I could ever feel so much at home anywhere else.

I feel that a special word of thank is due to those of my friends who have petitioned the Board for my reappointment. I hope they will understand that I could not think of remaining as principal of the High School under present conditions.

Very truly,
Charles H. Kolb.
Principal, Westminster High School.

On Saturday last Theo. F. Brown Esq., through Ivan L. Hoff Esq., filed a petition in the Circuit Court for this county praying the court to require Mr. Maurice S. H. Unger, Superintendent of Education for this county to show cause why a mandamus should not be issued by the court commanding him to allow Mr. Brown to inspect the minutes of the Board of Public Education for this county, the said minutes being public records of the county.

On Monday Chief Judge Thomas signed an order on the petition requiring Mr. Unger to show cause on or before July 17th, why a writ of mandamus should not be issued against him.

The petition, affidavit and order of Court are as follows:

TO THE HONORABLE, THE JUDGES OF SAID COURT:-

The petition of Theodore F. Brown, of Carroll County, Maryland, respectfully represents unto your Honors.

2. That the defendant is the Secretary and Treasurer of the Board of Education of Carroll County, and, as such, is the keeper of its records.

That, by virtue of said employment and in order properly to prepare the defense of said case, it became necessary for him to examine the minutes of the proceedings of the Board of Education of Carroll County, of which the said defendant, as Secretary and Treasurer of said Board of Education, is the custodian, and which your petitioner is advised and so alleges that he was entitled to see.

5. That acting in his capacity as an attorney, and accompanied by his said client, Charles H. Kolb, he appeared at the office of the Board of Education of Carroll County, at the Court House, in Westminster, Maryland, on the 10th day of June, 1918, and asked permission to see the minutes of the Board of Education of Carroll County, which, he is informed he had a legal right to see.

6. That the said defendant, in whose custody said minutes are kept, absolutely declined to permit your petitioner to see said minutes, although your petitioner made repeated demands to see the same, and although he advised the said defendant that he desired to see said record as the attorney for Mr. Charles H. Kolb, who had been informed by the said County Superintendent of Schools that he would be superseded as the principal of the Westminster High School.

Your peptitioner therefore prays that a writ of mandamus may be issued directed to the said Maurice S H. Unger, commanding him to permit your petitioner to inspect the minutes of the proceedings of the Board of Education of Carroll County, as is his right as an attorney-at-law of your Honorable Court.

AND as in duty bound, etc.
Theo. F. Brown,
Petitioner.

MADE ILL BY SNAKE BITE

Former Representative Thomas Parran Recovering

Former Representative Thomas Parran is seriously ill at his home, near Prince Frederick, suffering from the effects of a bite from a copperhead snake Wednesday of last week.

Mr. Parran was in his tobacco barn helping to prepare a lot of tobacco for shipment and was leaning over when the snake, which he had not seen, struck him on one of his legs, fastening his fangs between the knee and the thigh. The snake was killed and Mr. Parran was taken to his house at once, in the meantime the ordinary home remedies, such as comprsses and the sucking out of the poison in the wound, being tried.

Dr. Philip Briscoe was called in at once and supplemented those remedies with others that were more effective, although in spite of them Mr. Parran's leg swelled up to a tremendous size, and he suffered a great deal of pain.

Sykesville Club Gives Play

The Dramatic Club of Sykesville gave a very enjoyable play called "Country Store" at the Opera House, this city, last Friday night.

They had a large and fashionable audience and the generous applause gave evidence that they pleased their hearers.

The vocal solos by Miss Ramer accompanied by Miss Slagle, were quite a feature of the evening, also the violin solos by Mr. Essers. Misses Dorothy McDaniel, Elizabeth Lewis, Catherine Miller, Irene and Margaret Coonan, and Louise Miller sold caramels during intermissions.

The Navy League is under many obligations to their Sykesville friends for their untiring work in making the evening such a success.

While the audience was gathering and during intermissions fine music was rendered by the Sykesville orchestra.

PAGEANT IN WESTMINSTER

Held on the Court House Lawn, under the Direction of Miss Dorothy Elderdice

A Pageant of the Allied Nations, under the direction of Miss Dorothy Elderdice, of this city, was held last night on the lawn of the Court House and was witnessed by a very large number of people. The lawn being much higher than the surrounding streets made an ideal spot, enabling the audience to view the exercises and hear the vocal music.

Miss Dorothy Elderdice worked very hard and was repaid by the excellent manner in which all those who took part acquitted themselves. The music, under the direction of Prof. Charles Peltz was exceptionally good. The program was as follows:

ARGUMENT

EPISODE I. In the early summer of 1914, Humanity and her children are happily dancing the hours away.

EPISODE II. Suddenly their games are rudely interrupted by the clash of arms. Refugees, pursued by War, Famine, Pestilence, and Death, flee to Humanity for help. Humanity appeals Justice and she holds the enemy at bay while her aides summon in the nations of the world.

EPISODE III. The march of the Marseillaise is heard and France appears in the vanguard of the Allies. Following her are seventeen other nations who have heard the call of Justice.

EPISODE IV. Thru the aisle of The Nations there enter the War Workers of the world, bearing the insignia of their various trades and professions.

EPISODE V. With slow and stately step, thru the Corridors of Time, the Spirit, of '76 and the Spirit of '61 usher in the Spirit of Freedom, under the shadow of Old Glory.

When Freedom from her Mountain height
Unfurled her banner to the breeze,
She tore the azure robe of night
And placed the stars of glory there.

OBITUARY

ANNIE L. NEWMAN KILLED BY AUTO

Yesterday afternoon Annie L. Newman, the 6 year old daughter of Mr. N. C. Newman, of 3725 Fait Avenue, Baltimore, was killed on the State road south of Statewood, this county, by being struck by an automobile driven by Miss Isabelle Knowles, of 3921 Main Avenue, Baltimore.

The father of the child had stopped his auto on the side of the road near the residence of Judge L. C. Jordan to repair one of the tires and, while so engaged, his little daughter stepped out of the machine and started across the road to gather some daisies when she was struck by the auto driven by Miss Knowles. There is a very dangerous curve and also two steep hills on that part of the state road leading from Westminster to Sykesville.

The body of the little child was brought to this city and taken to the office of Dr. Robert Wells, and, after an examination it was found that her skull was fractured and that death had been almost instantaneous. The body was taken to the undertaking establishment of Harvey Bankard and Son and prepared for burial.

A coromer's jury summoned by Police Justice Dinst, of this city, is now in session.

Miss Knonwles and Mr. Newman returned last night to their homes in Baltimore and came back here this morning.

It is charged that the car which struck the child was running at the rate of 35 miles an hour.

Mr. Pyle returned to Baltimore last night and at the home of Yingling's mother, Mrs. Catherine Potts, 401 West Tewenty-eight street, said that after leaving Sykesville they stopped at Ridgeville ,where Yingling asked a mechanic at a garage to look at the rear left wheel. Both the mechanic and Mr. Yingling were inspecting the rim of the wheel, when an automobile driven by the 15-year-old son of Mr. and Mrs. Julias Reese, of Washington, swung from the Washington Boulevard into the Baltimore pike, struck Mr. Yingling and mashed him against his own car. The mechanic received a few bruises.

Mr. Yingling was carried into the garage and two physicians were attending him within 10 minutes after the accident. Their examination showed that he had two ribs broken and perhaps a punctured lung. An ambulance took him to Frederick, where he died within 10 minutes.

The son of Mr. Reese, who was driving the car which plunged into Yingling's car, was not able to produce an operator's card issued to those who are learning to drive.
