THE NATION'S BIRTHDAY

The Nation's birthday is a day to be celebrated not merely because on that date the fathers of the country proclaimed their independence. It is 'significant even more because on that date principles of freedom and equality and justice were proclaimed which were destined to overturn the world.

It has often been thought that American growth and prosperity are due mostly to the fertile territories this country possesses, with such abundant resources. But many other countries have equal advantages. Mexico has a land having superb resources, yet its people live in squalor and misery. Prosperity and success then are not dependent so much on opportunities, as on th use that people make of them, and the principles on which their community life is based.

The nation founded July 4, 1776 field by worshipping schoo mates. has gone on to abundant prosperity, that now astonishes the wor'd.

The people of the United States must ever cherish the memory lics five minutes without showing of these men, and take pride in the temper. If you venture to express marvelous gift they made to the any different opinion, they begin to world.

A COMMON SENSE PLATFORM

The Republican platform of 1920 is an unusual document, in that it takes pains on most questions to express itself very explicitly. It is not satisfied with the usual sparkling generalities, but says frankly at some length just what it means.

In the minds of the American people, the dominant issue of this election is the cost of living and economic troubles that go with it. The Republican platform points ies are good friends. They exchange clearly to the causes for high prices, views with good temper, knowing as being "depreciation in the value that much can be said on both sides" of the dollar, due to a gross expan- of any big question. sion of our currency and credit, also to reduced production, burdensome taxation, swollen profits, and increased demand for goods, due to a fictitious but enlarged buying power."

This is precisely the truth. The Republican party refuses to fool the people with promises that no party can fulfill. But it points out what can be done to relieve this condition. A party that sees the situation with such clearness, can be depended upon to apply every useful remedy.

The platform is very progressive and humanitarian, and it includes all the vital principles for which Theodore Roosevelt and the Progressives of 1912 contended.

The part played by the telephone service in the capture of Isaiah Fountain was one of the outstanding fea tures of the man-hunt which stirred Eastern Shore for seven days.

Fountain, negro criminal under sen tence to hang, escaped for the second time from the Easton jail on June 15 ing outside the jail doors.

Monarch 100 Per Cent Pure Paint

No one argues now-a-days that paint is a luxury-It's not-its an absolute necessity. And the better the paint, the more of a necessity it becomes because paint has a distinct mission to fulfill. It's mission is to protect the painted property from the elements nature directs against it to desiroy it.

The real test of paint value is shown by its covering capacity, its durability or lasting qualities and its permanency of color. A high grade prepared paint made upon a lead and zinc base may be used successfully for all purposes.

LEAD WHEN USED ALONE, DOES NOT MAKE AS SERVICEABLE A PAINT AS LEAD AND ZINC GROUND TOGETHER IN PURE LINSEED OIL AND COLORS.ZINC HAS COME TO BE RECOGINIZED AS AN INDISPENSABLE INGREDIENT IN PAINT LEAD WHILE QUITE NECESSARY, IS TOO LIKELY TO CHANGE WHEN USED ALONE-BY THAT IS MEANT IT DISCOLORS EASILY, AND WHEN EXPOSED TO THE AIR IT CHALKS OFF AND LEAVES THE WOOD EXPOSED. Zinc which is a more durable metal retains its whiteness, also gives tone to the colors and permits incorporating the largest possible quanity of linseed oil in each gallon of paint, thus giving life and durability to paint. A mixture of both lead and zinc is, therefore, necessary to obtain the best results. MONARCH 100 Per Cent PURE PAINT CONTAINS JUST THE RIGHT PRO-PORTION OF LEAD AND ZINC GROUND IN PURE LINSEED OIL, AND IS, THERE-FORE, GUARANTEED TO WITHSTAND THE HARDEST CONDITIONS OF SERVICE FROM TROPICAL HEAT AND EXTREME COLD.

MONARCH 100 Per Cent PURE PAINT is made to use--to protect--to preserve--to beautify, and because it works easiest, spreads farthest, covers most uniformly and wears longest, it gives ONE HUNDRED Per Cent SERVICE, hence is a prepared or finished paint that is equaled by few and surpassed by none.

CONSIDERING ITS PURITY. ITS LONG WEARING QUALITIES ITS GREAT COVER ING CAPACITY, ITS PERMANENCY IN HOLDING COLOR IT IS THE CHEAPEST PAINT ON THE MARKET TODAY. LET YOUR NEXT PAINT JOB BE A MONARCH JOB. DON'T BE TALKED INTO USING ANY OTHER.
