Women have natural qualifications extricable tangle. It is a nomination for this work, in their instinctive sense of color, form, value, and good style. Many successful men buyers decessor. are greatly indebted to women subordinates, who help them forecast the attitude that women will take toward specific lines of goods.

The investigation referred to also suggested that women should do well in advertising work, which requires a correct intuition in regard to ropular for a wholly different type of mind in that kind of work it is "easier to cation to the Attorney for the owner habits and tastes. Ambitious women should be encouraged by such an inquiry as this, indicating as it does a tendency for women to succeed in many forms of responsible work.

EFFECTS OF THE

HOUSE SHORTAGE

Few people are sleeping out of doors Mr. Wilson had formulated. this winter, they say.

Nevertheless, a shortage of houses has bad social effects. Two years ago, when there was a pressing demand for houses that were in good of negotiating with Canada for more condition, a lot of old and antiquated tenements were standing vacant. Today very few even of these are idle. If a house is tight against the commission to take up this matter, weather, it does not stay empty long. only three dissenting votes being reeven if it is unsanitary and unfit for corded. But, on account of a pocket human habitation in other ways.
