The situation has sible amount of stock, thereby makoffered a temptation to make impos- ing it necessary to hire a lot of help CONDEMNING EXTRAVAGANCE sible promises, of which some politi- and buy many tools and machines, or cians would have availed themselves shall they do a small business, hiring if they had been trying to secure as little help as possible, and makoffice. The Republican leaders were ing a farm a nearly independent unit, good enough business men and honest in which they shall pay out the least many girls who have a hundred times he would encounter men of every clasenough to know that it is not wise possible quantity of cash? policy in the long run to make promtop of the inflated wave of war prosises that are not realizable.

So when the people groan under their heavy assessments, they should remember that these taxes are partly due to the extravagance of a Democratic administration that ran the They should also feel glad that the opposite extreme. They say they will A great deal of modern expenditure 4, 5). (1) Unity of God. "The Lord & Republican party is honest enough hire little help, or none at all, and is incited, not by desire to have this not to offer promises that can't be will simply sell what they can raise or that thing that is lought at some among the Gentiles of that day. He is redeemed, and that it is wise enough themselves. They are making much extravagant price, but to make a God alone, therefore to worship and not to offer temporary measures of more effort to raise their own house- show of ability to spend without limit. The word translated relief that would put the country in hold supplies so that the outflow of Meanwhile many wealthy people do God" is plural in form, giving room a deeper hole later on.

### THE SPIRIT OF '76

Old time July Fourth orators used to say much about the "spirit of '76". as they called it. They appealed for a return of that old patriotic fire that 145 years ago emboldened the forefathers to defy the greatest military power of that period, and to resolve to build in the then wilderness a new nation consecrated to a nobler set of principles than those which at that to see how little food those people time ruled the powers of Europe.

extent on the product of their vege-At the time these daring patriots table garden and their poultry yard. proclaimed their subversive docrine, and it was rare that they bought any democracy was a despised and neglected idea. It had been advocated by philosophers, but no considerable nation had ever been conducted on that which helped make the table seem
