similar price. You can verify these facts for yourself. Oakland's new six-cylinder engine is compact and powerful. It's advanced design gives it the smoothness

so desirable in a closed car. Oakland's four-wheel brakes are sound. In the Sedan, a family car,

don't overlook this safety feature. The body is Fisher-built - beautiful and complete. Comparisons will increase your desire for it.

Oakland's new Duco finish is a revelation. In no other car, similarly priced, can you obtain this finish.

The control system is exclusive. Horn. throttle, ignition switch, choke and light controls-all are on the steering wheel.

Disc steel wheels are standard. They are safer, better looking, more

These are the facts and the Sedan price is \$1445 at factory. To insure complete satisfaction you don't need to pay more. Consider the Oakland Sedan, drive it—and then decide for vourself.
