The Republican Paper of Carroll ple what they know already?

by the American Sentinel Co. of Westminster, Maryland.

OFFICE-MAIN & LIBERTY STS. Entered at the postoffice in Westminster, Md., as second-class matter.

FRIDAY, NOVEMBER 7, 1924.

THE MAJESTY OF SUFFRAGE about the majesty of the ballot. After that is frequently advertised sugthe politicians have clamored for gests itself to the mind much more months, after the orators have issued constantly than one that is not adtheir impassioned appeals, after gum- vertised, hence the former gets the shoers have trodden their silent paths. better business. both tumult and strategy must come to an end. The mighty power of public opinion now assumes its rights. It acts a good deal the same as i would anyway, even if all the shouting and excitement and manipulation

had never existed. The power of suffrage comes as near reducing all artificial distinctions as any human law could. The humble man has the same power through his ballot that is given to the most wealthy and influential. The they might be thought to have, and our country entered the war, was and state and home town, the moral baby of our Government departments 1 1919 Oakland Touring least qualified of citizens.

has overturned that theory, and it mits makes every adult man and woman in the land, as far as legal rights go, a sovereign with rights equal to all others.

theoretically a sovereign, his sovereignty does not go far unless h has some gift of intelligence to guide it. He may be led around by designing politicians, who create a sovereignty that is but little improved over monarchical institutions. Fortunately the shrewd common sense of the American voter does not in the long run accept that form of govern- rang out joyously on November 11

MEN AND THE CHURCH
