VERYONE knows that a laxative stimulates the bowels. A diuretic performs a similar function to the kidneys. Under the strain of our modern life, our organs are apt to become sluggish and require assistance. More and more people are learning to use Doan's Pills, occasionally, to insure good elimination which is so essential to good health. More than 50,000 grateful users have given Doan's signed recommendations. Scarcely a community but has its representation. Ask your neighbor!
