Great Mask Parade And Carnival New Year's Day.

On New Year's Day, January 1st, 1929, Westminster will put on a new and unique entertainment that promises to be one of the biggest events of fun, frolic and pleasure ever held in this county.

Committees are at work arranging a program for the great crowd that will visit Westminster on that day.

At 2:30 a mammoth mask parade will be held, in which all the organizations, societies, business houses, lodges, bands, drum corps and men, women, boys and girls not only of Westminster, Carroll and adjoining counties of Maryland but our neighboring cities, towns and counties of Pennsylvania are cordially and urgently invited to take part.

Cash prizes to the amount of $306 will be awarded to organizations bands and individuals, for the most original idea in both grotesque and attractive masks and costumes. A more detailed statement of features that will be considered in the award of prizes will be given later.

From 7:30 to 10:00 o'clock at the "Forks," where the community Christmas tree will be planted, a band contest will be held, the prizes awarded to be followed by dancing and a carnival of fun. The streets at this point will be closed to traffic during these hours.

Remember the parade is open to all organizations and individuals from any place and will be held rain or shine.

All taking part in the parade must be in costume, must be masked and everybody must walk. Bands will be judged as to music and costumes and regular uniforms will not count as costumes. Two or more bands must be entered in the contest at night.

All entrants must report at the Firemen's Building on the day of parade, between the hours of 12:30 and 1:30 P. M., so that a number can be given them. All organizations, including bands, should notify Denton Gehr, secretary, on or before Friday, December 28, of their intention to participate, so they can be properly placed in the parade. Individuals need not notify, but must be at the Firemen's Building New Year's Day, not later than 1:30, when they will be assigned a place in the parade.

Prizes will be awarded as follows: Civic organization, first prize $10, second, $5; Fraternal, first prize, $10, second, $5; musical, first prize, $10, second, $5; school, first prize, $10, second, $5; bands, first prize, $35, second, $20; drum corps, first prize, $10, second, $5; unique advertisement, first prize, $10, second, $5; jazz band, first prize, $10, second, $5. A first prize of $5 will be awarded to the most fantastic and attractive costumed man, woman, boy and girl in the parade, and second prizes of $2.50 will be given.

The winner of the band contest in the evening will receive $50 and the second prize will be $25.

These liberal prizes should attract a large number of bands. No band can enter this contest unless it has taken part in the afternoon parade.

Watch the papers for more detailed accounts of the program. A living Christmas tree has been purchased from Mr. Jesse King of Ridgeville, and will be planted in the triangle at Main street and Pennsylvania avenue during the coming week and will be illuminated each night during the holiday season.

MEETING OF WOMAN'S CLUB

The college members of the club, Mrs. Fannie Stover and Miss Mabel B. Harris, were the hostesses Tuesday afternoon, and the meeting was held in the parlors of Western Maryland College. Mrs. D. F. Shipley presided and after the transactions of the routine business, attention was called to the Institute of Public Affairs to be held at Frederick on Friday under the joint auspices of The League of Women Voters and Hood College.

To those of us who are busy with the everyday affairs of life and have to think too much of the material things, it is quite a treat to listen to two such papers as were given in this program. Mrs. A. Earl Shipley's paper was "Trends in Modern Music," and she gave a clear and concise idea of those trends, with many illuminating criticisms from well-known critics. Miss Harris gave much interesting data of the modern school of musicians, from Debussy, who died in 1918, to Respighi, Ernest Block, Richard Straus, Maurice Ravel and Bella Bartok of today, and made her paper instructive and impressive by showing many pictures of the artists.

MASS MEETING IN WESTMINSTER

The preliminary work of organizing a Carroll County Branch of the Maryland Children's Aid Society will culminate in a mass meeting in the Firemen's Building, second floor, Westminster, Tuesday evening, December 11th at 7:30 o'clock.

Mr. H. Peyton Gorsuch will preside at the meeting. Dr. E. L. Elderdice, president of the Westminster Theolcgical Seminary, will conduct the devotional. The address of welcome will be by Mr. George E. Matthews, Mayor of the town. Several lullaby musical numbers will be sung by Mrs. Edward Little, accompanied by Mrs. H. M. Kimmey. Mrs. Donal Symington, of Garrison, Md., will speak on Woman's work, and Judge Coleman on the bigness of the work of the Maryland Children's Aid Society. Mr. M. S. H. Unger will give a report of the nominating committee.

This splendid program with the object of the meeting should arouse our citizens to the very remotest parts of the county, and fill this large comfortable hall to capacity.

Six of Carroll county's homeless children are being cared for at this time in other counties much less financially able for the work than Carroll county.

BOY KILLED IN CRASH

William Green, aged 18, son of Mr. and Mrs. David Green, Union Bridge, died early Wednesday, December 5, 1928, as the result of injuries suffered in a head-on automobile collision at 10 o'clock, Tuesday evening on the Uniontown road between Union Bridge and New Windsor. Death was caused by a fractured rib puncturing his lungs.

Maurice W. Bankard, of near New Windsor, the driver of one of the cars figuring in the collision, reported to Police Justice George E. Benson, that he was traveling from Uniontown towards New Windsor in a coupe, accompanied by his wife and daughter Doris, when he saw a touring car approaching him and although he drove to the extreme right of the highway a head-on collision occurred.

The touring car driven by Mr. Shifler contained, besides the driver, Green and two young women, Mr. Bankard reported. After the crash Green was picked up unconscious beside a rear wheel of the touring car. Mr. Bankard's machine was completely wrecked and the other car was badly damaged. Apart from Green the occupants of the two cars were only slightly hurt, suffering minor cuts and bruises.

The accident took place near the residence of Curtz Warner, who rushed the injured man to the office of a physician in Union Bridge. Death occurred in the doctor's office shortly afterwards.

An inquest was held in Union Bridge Wednesday night.
