The Rent Rews.

PLUMMER & USILTON, .. Editors.

Chestertown! Saturday Morning, Dec. 1, 1860.

WE adverted last week to the subject of Secession, and now subjoin a few remarks. We then repudiated the newfangled doctrine of the right of secession, which is practically subversive of the fundamental principles of the Constitution, a canker, which eats out the vitals of our ple. It is a fixed, established, settled back to the useless expenditures of the to seems our demostic peace and happing

cured by the Constitution, and guarded by might be imbued with the treasonable spi- tranquility of twenty-six millions of the tablished, continued, legal existence, and perpetuation of the General Government, is as firmly secured, as the Constitution of is as firmly secured, as the Constitution of to the interests and opinions of Maryland the several States. What is the language of the Constitution of the United States? ity, provide for the common defence, pro-mote the general welfare, and secure the

and a nation of freemen having been brought into political existence, they, the people, ordained and established, by the exercise of their sovereign will and power, the present Constitution. They made no the purpose of memorializing Gov. Hicks the present constitution. They made no provision for secession, for disunion, or for the purpose of memorializing Gov.
