CHESTERTOWN, MD.

Saturday, Sept. 4, 1869.

Baltimore and the Eastern Shore-

city council of Baltimore, has been exam- the body. ning the routes over which additional railroads would have to be built to con nect the Queen Anne's with the Maryland and Delaware road, and the latter wit the roads below on the peninsula, in order to afford more direct communication with Baltimore by way of the proposed railroad from Massey's to Elkton; and that after examining these several routes, he has recommended another and shorter way o reaching Baltimore, and one which, in his judgment, would secure to that city a larger share of the Eastern Shore trade than any other that could be adopted .-He proposes to start from Salisbury, and thence by way of Sharptown and Federalsburg to Denton, thence to Greensboro', Beaver Dams, Church Hill and Chestertown, to Rock Hall.

This route has the advantage of commencing at Salisbury with 55 miles of railroad now built and in operation, viz: 32 miles of the Eastern Shore and 23 of the Wicomico and Pocomoke road, both total distance of 99 miles against 173 Wilmington and the Philadelphia, Wilright angles.

in all respects for building a road, the most costly part being between Church approximate estimate of the cost of the and the thunder rolling in the distance 661 miles of road, and makes it \$950,000, could be heard a youthful minister calling stock, including depot buildings, &c. An accurate estimate depends upon a survey, which ought to be authoritatively made.

Mr. Wingate is a practical engineer, the scene. the Constitution. CHARLES W WARREN, Officer of Registration for 2nd District.

Register's Notice.

TO THE VOTERS OF THE THIRD ELECTION DISTRICT.

From what it has done for me I give it the THE undersigned, officer of Registration for the Third Election District of Kent county, - in compliance with the requirements of the Act of 1868, chapter 297, which makes it the duty of officers of Registration to sit at some place convenient to the voters of their respective districts, for three days, commencing nate" on wheat and oats-top-dressed the on the third Monday of September in each year,

AT WORTON HEIGHTS,

On Monday, Tuesday and Wednesday. the 20th, 21st and 22nd days of September, from 9 o'clock.

A. M., to 6, P. M.,

for the purpose of discharging his duty as officer of Registration, according to the said Act of the General Assembly. The Registration Act of 1868 provides that it shall be the duty of Registers to correct the lists of qualified voters by striking therefrom the names of persons who may have removed from the County or State, or who may have died, or have become disqualified under the It gives me great pleasure to let you know third and fifth sections of the first article of the that my Wheat upon which I applied your | Constitution; and also to add to said lists of fertilizer last fall, is very fine. I used it en. qualified voters, and register as such, every tirely on corn stubble, and it is better than white male person who shall apply to them to any I ever had or ever saw. It will, I am cer be registered, and satisfy them that he possesses, or before the day of the next general elec-I applied it on oats and corn in the spring, tion will possess, the Constitutional qualificausing about 200 pounds per acre on each, (stiff | tions of age, citizenship and residence, and is
