TAVE determined to present their Bitters II to the public, knowing that they will sustain the merits claimed for them. This is no novelty in the market, having been before the public for the last ten years, and has everywhere stood the test of the most searching scrutiny. This Medicine is accurately compounded from the purest ingredients by experienced chemists. Neither is it claimed that the ingredients were hitherto unknown to the medical profession, on the contrary the various omponent parts have for a long time (some for centuries) been used by the most skeptical and experienced Physicians as a Specific cases of Dyspepsia, Poverty of the Blood, Nervous and Billious Headache, and many diseases arising from derangement of the Digestive Apparatus It is not claimed for this article that it will cure all diseases. In BILIOUS FEVER and CHILLS AND FEVER, its value not only as a relief, but as an actual cure, has been fully proved. It is especially recommended in al'

diseases resulting from an impoverished state apr21. of the Liver, such as Hepatic Congestion, Biliary Obstruction, excess of Bile, &c. It is recommended by prominent Medical men, who though opposed in principle to all patent or proprietary Medicines, have been forced by the result of their experience with the M. S.
