Mr. Pennington, of Wilmington, Illinois, writes that there is not (with a few exceptions) a famil in that city who will be without it if possible to procure it. Such is its popularity wherever it is known-and this popularity arises from the fact that it universally cures all who use it. There is no case of Coughs, Colds, Sore Throat, Asthma, Bronchitis, Croup, Blood Spitting, Hoarseness, and even Pulmonary Consumption, where the system is not broken down with the wear of the disease, or pretended medicin or inexperienced advice, that this Balsam wi not cure if carefully used, according to directions.
