THE EUREKA

NINETEENTH CENTURY!

economy, utility and practicability of the Eureka Mill, and to the many other advantaand a full line of samples from their immense | ges it possesses over every other Fanning Mill It is the fruit of long and patient investiga tion by the inventor, who has made it his con stant study for over twenty years. He has secured several patents for Mills, and has al ways been rewarded with the best of success But not feeling satisfied with his former attainments, he determined to reach the climax, and he now believes that his new invention wi eart, like the philosopher, Phythagoras-EUREKA!-signifying in the Grecian language, "I have found it." This has given the name to this new Mill.

In this Mill are all the former improvement to which have been added several more, adding still greater advantages than were at first an ticipated, or even thought possible by the inventor himself. It embraces the three great essentials necessary in every invention : It combines ECONOMY, UTILITY and PRACTICABILITY!

THE "EUREKA" MILL is small and lighter, and is capable of doing

more and better work in a given time than any other Mill ever invented. IT IS THE ONLY MILL that will successfully remove from wheat al such pests as Cockie, Garlie, Oats, Rye, &c. Should an extra quality of grain for seed or gristing purposes be required, it can be so ar ranged as to catch in one box perfect grain and in the other, grain fit for market or mill Here is made a great saving usually lost sight of : for nearly one quarter of the grain cleane in the common Mills is lost when sown, on ac count of shrunken kernels and inferior grain The Enroka Mill saves ali this, and gives seed every kernel of which will grow when pu

F. STAM & BRO., Agent for Dr. Wadsworth's Stem Pessary. salt-without boiling. They also guarantee that it will not injure even the finest fabrics. Not only does it save labor, fuel, clothes, &c., but by using it housekeepers get rid of the discomfort of hot water in summer, and of steam in the house during winter, which cause frequent colds, especially to those who go from a steaming hot wash-room to hang out clothes. Thousands of testimonials to its great excellence are at hand, but no evidence can equal that derived from one's own observation and experience. To know the virtues of this Soap you have only to try it. A single bar is sufficient for the ordinary week's wasking of a family of eight persons.

By its own action it dissolves the grease and ALEXANDER WHILLDEN, of Pa., Presiden other things that soil, and liberates them from the garment, thus quietly and quickly accomplishing that which is usually done with labor and hard usage of the clothes by means of a washboard or machine. Very little hand MALTBY HOUSE rubbing is required with this Soap, except promissory notes, bills of exchange or negotia- most popular. To consumers, therefore, it is on and after Jan. 1st, 1870, to ble paper,'—and is considered one of the most liberal and reliable companies in this country manufactured. The usual discount to the Applications for insurance received by

J. WALKER, Proprietor. R. H. McDonald & Co., Druggists of MILLIONS Bear Testimony to their Wonderful Curative Effects.

They are not a vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c. a true Medicine, made from the native roots and herbs of California, free from all Alcoholie Stimulants. They are the GREAT BLOOD PURI. FIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair. They are a Gentle Purgative as well as a

as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs. FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of won anhood or at the turn of life, these Tonic Bitters have no For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion

Tonic, possessing also, the peculiar merit of acting

Billous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vittated Blood, which is generally produced by derangement of the Digestive Organs. DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Billious Attacks, Palpitation of

the Heart, Inflammation of the Lungs, Pain in the

regions of the Kidneys, and a hundred other painful

symptoms are the offsprings of Dyspepsia. They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequaled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their cura-

Cleanse the Vitiated Blood whenever you find its im purities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul and your feelings will tell you when. Keep the bloopure, and the health of the system will follow.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroy Sold by all Druggists and Dealers.
