more and better work in a given time than any other Mill ever invented. office, with a good deal of confidence that it is IT IS THE ONLY MILL that will successfully remove from wheat all such pests as Cockle, Garlic, Oats, Rye, &c. Should an extra quality of grain for seed or gristing purposes be required, it can be so wrranged as to catch in one box perfect grain, and in the other, grain fit for market or mill. This Truss has received the sanction of the manufacturers in this country, and is for sale Here is made a great saving usually lost sight of : for nearly one quarter of the grain cleaned in the common Mills is lost when sown, on account of shrunken kernels and inferior grain The Eureka Mill saves all this, and gives seed

every kernel of which will grow when put

into the ground, and this saving will, in a
