More than twelve months since I painted the roof of my Hotel (Mansion House) with the Bradley's Patent Enamel Paint, and I was so well pleased with it I determined to paint the outside of the Hotel, and am most happy to say it gives me pertect satisfaction. In conclusion I will say if this testimonial will be any advantage to you, you are at liberty to use it. Yours, most respectfully,

ISAAC ALBERTSON, Mansion House Hotel, corner Favette and St. Paul streets, Baltimore.

FROM HON. JOHN WETHERED. Mr. C. P. Knight :- At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than any other paint and is freer from disagreeable odor. Yours, respectfully,

THE PLAINS, Fauquier County, Va., 1 February 6th, 1873. C. P. KNIGHT-Dear Sir :- The Paint came enfely to hand, as ordered, two kegs, five gullons each, and three buckets, one gallon each As practice was slack I did the job myself .--Two weeks not constant work completed the house two coats, the last coat applied thick, and it is now generally conceded that for ny of colors there is not a handsomer job in the operation, which is an item just now with Southern people." It should be generally adopted in this State; any country lad can as Testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people in excellency of material, in beauty of color, and the fact of its being
