Reform's the cry of the nation, The thieves they're looking quite blue, Surprised at the grand nomination Of Tilden and Hendricks so true. Of Tilden and Hendricks so true Of Tilden and Hendricks so true. Surprised at the grand nomination Of Tilden and Hendricks so true.

Arouse, ye oppressed with taxation, Deceived by the men you thought true, Vote at the nation's election For Tilden and Hendricks the true. For Tilden, etc.

Tilden's the man for the station, So fearless and bold we all knew; This hero will shout reformation, With Hendricks to stand by him true. With Hendricks, etc.

Our Pilots are both on the deck, The old ship of state heaves in view, A warning to grabbers—a check, Reform's on the old flag, so true. Reform's on the old flag, etc. Engender'd by partisan crew, just go to the shades of oblivion While the Union advances anew

The east and the west never falter'd. The north and the south ever true, United their foes will be slaughter'd By Tilden and Hendricks, the true. By Tilden and Hendricks, etc.

STRATEGY.

"Monkeys should be looked after and | they require a tonic to restore them ; and educated," says a sarcastic writer; and the tineture of iron (hot) must be admincertainly these animals possess a talent istered by a tailor, unless you can have for mimicry which gives them the appear- the remedy applied at home. Here it is ance of possessing brain power. Man, where auxiliary help comes in handy .however, is more than a match for them, Mary Jane, if willing and a skillful reas the following story will show.

A company of Brazil hunters had a lot gess of ribbons or similar fallals and inof little boots made, just large enough to structions given her to iron on the wrong Grove, is now prepared to do ALL KINDS ( be drawn over a monkey's foot, and filled side only-previously having damped the CUSTOM WORK ON SHORT NOTICE. the bottom with pitch. With these they set | refractory garments with a moist sponge out for the woods, and soon found them- Of all enemies to clothes the most deadselves under the trees where the lively ly known is dust. If you have been caught always keep on hand little fellows were leaping about among in a whirlwind of it, you will fold away the branches, hanging by their tails, your clothes in vain.
