THE MOFFETT PUNCH .- The Moffett registering machines have been introduced into nearly all the bar-rooms in Rich-mond. The price of alcoholic liquors has been advanced five cents and new glasses holding ten per cent. less beer are used. The liquor dealers have abolished the credit system and now do business on a cash basis. A State official who is known throughout the Commonwealth of Virginia went into a saloon last Monday and called for a glass of lager. It was delightfully cool and he was about three minutes in swallowing it, after which he wiped his lips with his handkerchief and eyed the barkeeper suspiciously. "You forgot to turn the crank," said he, quite sternly.
