Mr. H. says he had about also to put in a few days at the Electrical Insoluble Phosphoric Acid ment for Butler, so great were the attractions in where she has been spending a month. Miss J the farming industry line. In passing through also visited Niagara, Buffalo, Catskill mountains drickson says his attention was called to lands

SCHOOL MATTERS .- The public schools of this ounty were opened last Monday with a fair attendance. In Chestertown some changes have been made in teachers in the public school. Miss Maggie P. Wroth takes the place of Miss Crossley in charge of the primary department, and Miss Ella Thomas takes Miss Moffett's place as teacher of the third grade. Miss Mollie Downes is filling the place of Miss Ava, her sister, in her tempor ary absence. Miss Lottie Spencer reached home on Thursday from her sojourn in the mountains of Virginia and entered upon duty in charge of the second grade. Prof. W. G. Fallowfield still continued as principal and Miss Annie E. Leaverton as first assistant. Frank B. Rogers, of Galena, was appointed by

gold purchased this farm about five years ago | lege, and the appointment has been approved by State Senator Burchinal.

Exchange at Wyoming, met last Monday and passed resolutions commending the same and recommending the establishment of an Exchange in other sections. The prices of peaches at the Wyoming station has ruled higher, it is believed than at any one point on the peninsula, and that simply because of the exchange. Buyers are on the spot every day, posted in prices in Northern cities, and they buy direct from the grower and take upon themselves the risk and expense of shipment. Prices at Wyoming this week have ruled at from one to two dollars per basket.

Sparks, former well known hotel proprietors in board of a vessel belonging to Capt. Joseph Downey, Sr., in Rock Hall harbor, on Saturday last, was attempting to kindle a fire with coal and we have no doubt their reputation will be veloped in flames. His cries attracted the attention of parties on another vessel near by, when they promptly proceeded to the boy's help. He was thrown overboard and the fire extinguished, | a DWELLING HOUSE at Pomona. but when examined by Dr. Fisher, was found to be frightfully burned about the head, face, arms and legs. He was placed on the steamer George Law on Monday morning, in charge of Mr. A. EGAR, guaranteed. Casey, and taken to the City Hospital, where he is now under treatment. Dr. Fisher thinks his condition is quite critical - he may recover, but parents were living.

A Big Peach.-Mr. James M. Vandyke found among his picking of "Reeves" one day last week a peach measuring 93 inches in circumference and 34 inches in diameter. If any Kent county grower can beat it let him bring it along. Apropos: We heard the other day of one of our Kent county peach growers who sold his at 55c. per basket, and that the speculator in less than a week afterward transferred his bargain to a Baltimore canner at 95c. per basket ! merchant tailor until recently doing business in | The grower was sad when he heard it of course.

Town IMPROVEMENTS, -- Mrs. Kate Gill, who tween the drug store of T. W. Wickes and the men's TRUNKS we have ever had, all tage on the letters and other matter it sends to energies to the faithful discharge of the duties and W. J. Roberts, three prominent citizens of and will put in a handsome glass front. A twostory brick back-building will also be added. Mr. T. S. Wickes has also improved the front of his property adjoining the postoffice by putting in bow windows.
