that among the beauty and pleasure loving Greeks the deaf-mute was looked der the barbarous laws of Lyeurgus they were exposed to die. Nor was the high-ly cultured Athens less cruel than Sparta towards these unfortunate creatures. Deaf mute children were pitilessly sacrificed ously occupied himself with this phenomenon of deaf mutism was the philosopher Aristotle, and he declared congenital most a give away point. sal opinion of classical antiquity .- class Clothing, such as our stock is comwith the same cruelty as the Greeks. As posed of, at the lowest figures known to soon as a child was found to be deaf and us for years past. dumb it was sacrificed to the Tiber. Only those escaped whom the waves washed back to the shore, or whom the from the eyes of the world. Yet in the centuries immediately preceding the Ledger Building, Sixth & Chestnut Sts. Christian era there was a sensible diminution in the number of victims of these barbarious laws, although about fifty years B. C., the poet Lucretius pronounced himself in favor of Aristotle's opinions

regarding deaf mutes. But in the course of time certain rights were granted to those deaf mutes who gave proof of ability-such as had been brought up secretly by their parents showing some signs of intellect; this gradually dissipated the horrible prejudice with which their brethgarded. Pliny mentions a congenital deaf mute, called Quintus Pedius, who distinguished himself as an artist. He name, who flourished in the reign of Augustus. It is also probable that deaf mutes were employed as pantomimists when pantomime was one of the favorite ler gives to the Egyptians the credit of well as the Persians always respected persons thus afflicted, and their heiroglyphic mode of writing was especially suited for their education. It is doubtdence that their better treatment by the Than ANY HOUSE in BALTIMORE Romans dates from the time of the incor-

Queer Things About Duels.

poration of Egypt as a Roman province.

A writer who recently visited Colonel If you are going to Baltimore to buy Cash, the Cheraw (S. C.) duelist, gives anything in the CLOTHING line call on the public, in the Atlanta Constitution, them and they will prove it to you.

ing, which is certainly a remarkable fact." "And what is that," I asked. "Well," he continued, knocking the ashes from his cigar, "on that very night

Colonel Cash stated to me as a fact, and I believe he knows, that there has not been a single duel fought in the United States, where either of the principals was killed, which has not been attended in one particular by the same uniform re-

"And what is that?" I repeated. Why," said he, "the man with the shorter name is sure to kill his opponent."

"Not to the number of letters," he replied, "but to the number of syllables in his name always kills his antagonist. Burr and Hamilton, and beyond that, I stock on hand. I have where the three-syllabled champion of the Philistines, Goliah, fell at the hands of the routh of Decident of the routh of Decident of the routh of Decident of the routh of th the youthful David. And I don't think you will find an exception to the rule."

During the interval of silence that fol-

lowed, your correspondent endeavored to recall all the noted duels that had come under his observation, but failed to find which I will sell lower than such vehia single exception. As it is said, however, that there is no rule made without but great inducements offered for cash. be well for those interested in the code of at the prices I am asking. lenged party has the greater number of \$20. opposite M. P. Church, Chestertown. syllables in his name, he will promptly decline. If less than his opponent, he can safely challenge and let his antagonist decline. Thus, by measuring names instead of swords, he can settle these affairs of honor without resorting to that false standard of courage which has been handed down from feudal ages.

As a corollary to this. Should a duel occur between two parties whose names syllables, one, neither would be killed, or two, both would be killed.
