A MARVELOUS STORY

FROM THE SON: "28 Cedar St., New York, Oct. 28, 1882. Gentlemen: My father resides at Glover. Vt. He has been a great sufferer from Scrot-ula, and the inclosed letter will tell you what

Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons

who would testify to the facts in his case. Yourstruly, W. M. PHILLIPS." FROM THE FATHER: "It is both a a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla. Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used regularly since that time. My condition egan to improve at once. The sores have healed, and I feel perfectly well in every nect - being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and tell them, as I have here tried to tell you, ER'S SARSAPARIILA. Glover, Vt., Oct.
