Wonderful, but True!

"Halloo! John. Where are you going so early in the morning?"
"I am going to Friedman, the Clothier under the *Kent News* office to get a suit."
"Why don't you go to Baltimore to get it?"
"I tell you, Tom, I have seen the suits which Sam and George have just bought at Friedman's, under the *Kent News* office, and I tell you they are just as good in style and in workmanship as the Baltimore clothiers."
"Is that so?"
"Yes, sir! And Friedman beats them all to pieces in prices."
"How is that, John? How can Friedman, in Chestertown, sell cheaper than Baltimore houses?"
"I tell you, Tom, the reason is he buys his goods for cash, direct from the manufacturers, and is under small expense; besides, you know the CASH goes these days a great way, and, I tell you, you can save money by buying goods of him. He is reliable and straightforward, and he don't misrepresent any goods. His stock for the present Spring season of Ready Made Clothing, from three-year old child suit to a fat man's suit is complete. He also carries a large stock of Furnishing Goods, Hats and Caps. I advise all my friends to go direct to A. FRIEDMAN, under the *Kent News* office, Chestertown, to save money." m16.

MATTING!
Out of a stock of Fourteen Hundred Yards we have Three Hundred yet on hand that we will sell at a great reduction in order to close it out.
