PORTUNES IN DEFORMITY

Museum Freaks Who Draw Bigger Salaries Than Accomplished Artists

The first time museum was started on the Bowery, in New York, in 1872.

Style on slender incomes

It is an astonishing thing to observe the style which New York is occasionally able to put on by dint of stretching out an income which is absurdly small.

OPEN-MOUTHED WOMEN

A Philosopher Who Asserts That Women Walk With Their Mouths Wide Open

There are over 375,000 females in this city, and about 5,000 first-class saloons.

Mackay's Wealth

Hon. C. H. Felton, member of Congress from California, who is now in New York, expresses the opinion that Mr. John W. Mackay is worth at least \$10,000,000.

How Deep the Grave

The Cecil Deane editorially pays the following tribute to the memory of an old citizen of Kilton.

Holding the Breath

Deep breathing and holding the breath is an act of impudence.

The Marriage of Evangelist Jones

Rev. Sam Jones whips up the boys sometimes and takes them roughly about their gambling and drinking habits.
