Chester River Fish Law.

AN ACT

To better regulate the time and manner of taking and catching fish in the waters of Eastern Bay and Chester River and their tributaries, within the jurisdictional limits of Kent and Queen Anne's counties.

SECTION 1. Be it enacted by the General Assembly of Maryland, That it shall not be lawful for any person or persons to take, capture, or destroy fish in the waters of Eastern Bay or Chester River and their tributaries within the jurisdictional limits of Kent and Queen Anne's counties, by seines, drag-nets, set-nets, fish-baskets, fish-pots, weirs, pound-nets, fykes, or any other means or contrivance whatsoever which is now known or used in the capturing or destroying of fish, or which may hereafter be invented for that purpose, from the twenty-first day of May to the first day of August, except with hook and line; provided, however, that seines or nets may be used for taking taylors and mackerel, provided the meshes of such nets or seines are in the bar not less than one and seven-eighths inches, or in the mesh not less than three and one-half inches.

SECTION 2. And be it enacted, That it shall not be lawful for any person or persons who use stakes or poles in setting nets of whatever class or description in the waters mentioned in the first section of this Act, to leave such stakes or poles in the waters where they were used, but shall remove or have removed, such stakes or poles from the waters where they were used on or before the first day of June, in each year, nor shall they again be put down in said waters prior to the tenth day of August following.

SECTION 3. And be it enacted, That it shall not be lawful for any person or persons in said waters mentioned in the first section of this Act, to empty their seines upon the beach or shore at any time whilst engaged in fishing, so as to leave the smaller fish to perish, but shall empty same in water of sufficient depth to enable the smaller fish to return to the water for growth and maturation; and any person or persons using seines, pound-nets, fish-baskets, fykes, traps or nets, of any class or description, that catch the fish alive, shall immediately cull them and return the small fish to the waters at the place where they were taken.

SECTION 4. And be it enacted, That no boat or trap of any kind or description used in catching or taking fish shall be used in the waters mentioned in the first section of this Act by any person other than *bona fide* residents of said counties; and every person, either as principal or employee, before using any boat, trap or other device of any kind or description to take or catch fish for sale, shall first procure from the Clerk of the Circuit Court for the County whereof said person is a resident a license, which said Clerk is hereby authorized to issue, and for which he shall demand and receive one dollar, which said license shall authorize the person receiving the same to take and catch fish within the jurisdictional limits of the County in which it is issued for the one year from the date of issuing same, subject to the restrictions mentioned in the Act; and every person applying for a license as aforesaid shall make oath he has been a resident of said County not less than twelve months preceding application and said Clerk shall not issue license to any person who fails or refuses to make said oath; provided that nothing herein shall be construed to preclude any *bona fide* resident of either of said Counties duly licensed as hereinbefore provided for, from taking or catching fish in any waters bordering on any lands of which said person may be owner in whichsoever County said land may be situated, and provided further that the right to take and catch fish with hook and line shall be allowed to all persons at all times.

SECTION 5. And be it enacted, That it shall not be lawful for any person or persons to use any pole, oar or other device of any kind or description to drive or frighten fish in said waters at any time by splashing, rowing, or by any other means whatsoever.

SECTION 6. And be it enacted, That upon the information of any citizen of said counties that he knows or verily believes that any person or persons have violated any of the provisions of this Act before any Justice of the Peace of said Counties, the Justice of the Peace before whom said complaint is made shall docket a case in the name of the State of Maryland against such person or persons so charged, on oath as offending, and issue a warrant to some one of the Constables or the Sheriff of said county for the arrest of the party or parties charged in said oath with such violation of this Act to be brought before such Justice for trial, and upon conviction shall be fined not less than twenty nor more than one hundred dollars for each and every offense, in the discretion of the Justice of the Peace; one-half of which fine shall be paid to the informer and the other half to the School Fund of said county, and in default of payment of such fine such person or persons so convicted shall be sent to the County Jail for not less than ten days nor more than thirty days, in the discretion of said Justice of the Peace, and the said boat or boats, together with their oars, sails and other appliances, shall be sold at public sale by the Constable, and the proceeds applied to said fine, and the costs of the prosecution including the fees and emoluments due the Sheriff for keeping and maintaining said person or persons so convicted; provided, that any person so convicted shall have the right to appeal to the Circuit Court for the county in which such conviction is had.

SECTION 7. And be it enacted, That any Commanding Officer, of any one of the Oyster Police Sloops or Steamers, either upon view or information derived from any other person of a violation of any of the provisions of this Act, shall be and he or they are hereby authorized and empowered, and it is made his or their duty to arrest and take into custody, such person or persons so as aforesaid offending and the boatmen or other persons found in said boats, and carry such offender or offenders before some Justice of the Peace of the County wherein such offence was committed, to be dealt with as provided for in this Act.

SECTION 8. And be it enacted, That all monies received by the Clerk of the Circuit Courts for the Counties aforesaid from licenses as provided in section four of this Act shall be paid to the County Commissioners of the counties for the use of the Public Schools of said counties.

SECTION 9. And be it enacted, That all acts or parts of acts, inconsistent with the provisions of this Act be, and the same are hereby repealed, and that this Act shall take effect from the date of its passage. Attest:

The Cooley Creamers

IN FOUR STYLES,

Senior, Junior, Elevator and Cabinet.

The Cooley system possesses a two-fold advantage; it is submerged and water-sealed, which is of the very greatest benefit, increasing the cooling surface and keeping the cream from oxodizing, thus allowing all gases or odors to penetrate it, and be absorbed by the water. The above Creamers guaranteed and for sale at manufacturer's prices by J. K. ALDRIDGE & CO.,
